ink their iness? ence with Telegraph's Charges Upheld in Strong Sumience with mary.
In conclusion, I beg to say, if it be nacessary, in view of the foregoing remarks, that anything further should be said, that in my opinion, he charges of financial mismanagement, cruel treatment and limmorality-i say nothing as to he educational features, leaving the evidence on that branch of the in-quiry to speak for itself--preferred by the Telegraph Publishing Company against the management and staff of the Fredericton Institution for the Education of the Deaf and Dumb, have been fully sustained; that its financial management and staff of the Fredericton Institution for the Education of the Deaf and Dumb, have been fully sustained; that its financial management agement; that the female pupils of the school have been harshiy and cruelly treated; and that the grosset immoralities have been practised in the institution from almost the time of its establishment down to the present time. And that in my and content of the interest of morality. mary.

believe no believe no ucated and s and Miss e shared by province demand that the institu-tion be no longer allowed to be con-tinued under its present manage-ment and staff. but e whose ittributes of s, and were i not do so.
