Now Is the Time to Plan for the Summer
We will not give a summer vacation this year as a number of students from long distances would be inconvenienced thereby. Then our numbers are so delectably cool that St. John is a harbor of refuge during the hot season, and study just as pleasant as at any other time. Students can therefore enter at any time.

WIFE AND DAUGHTER
George Meredith's Prophecy
(N. Y. Evening Post)

Not only did the Irish question disappear in the single moment of England's involvement in a foreign war, but the Irish people themselves began to display a remarkable spirit of fraternalism. The sign of this was given by the Nationalists, but the Ulstermen had not been slow in responding. British troops are leaving Ireland, amid cheers and Godspeeds, without the slightest fear on the part of the government that good order will not be maintained. No doubt, the assurance that home rule, in some form or other, is specially to be granted to Ireland, has something to do with these remarkable demonstrations of good will to England. But this is only what the champions of home rule have contended would happen. No one has put it more finely than George Meredith in a poem entitled Ireland, which was first published in 1852.

Wooden Leg Pained Him.
The most ghastly superstition has often its base in a ludicrous fact. It is the case of Jones. "Tells me that his wooden leg pained him horribly last night."

"Nonsense!" was the reply. "How could his wooden leg pain him? It is his wife," explained the man, "that is on over the head with it!" -Weekly Scotsman.

ST. STEPHEN WILL RAISE A PATRIOTIC FUND

St. Stephen, Sept. 9.-In response to the call of Mayor Dinwiddie, a large and representative meeting was held in the town hall last evening to take steps to organize for the purpose of raising a patriotic fund.

The meeting was opened by his worship and on the platform were Mayor McDonald, of Milltown, G. W. Ganong and Jas. Vroom, secretary. As the mayor was suffering from a severe cold upon his request G. W. Ganong acted as chairman. Mr. Ganong, in a ringing address said that he felt that every man in this town was anxious to contribute to this fund and were only awaiting the opportunity to do so. Stipend addresses were also delivered by Archdeacon Newnam, Rev. Mr. Tomlin, Rev. F. Dawson, F. M. Murchie, Andrew Mungh, Jas. Vroom, Councilor A. D. Ganong, J. W. Scovil, R. G. McFarlane, H. W. Grimmer, M.L.A., Dr. C. G. Main, and Mayor McDonald of Milltown.

Ward committees were appointed for the town. These committees will, at once, visit upon the residents, and as one speaker expressed it, show a practical patriotism.

The initiation for a county organization was also taken, and G. W. Ganong was appointed president, J. M. Fiedling, secretary, and E. W. Ward, manager of the Bank of British North America, treasurer. A committee consisting of Jas. Vroom, R. G. McFarlane and H. M. Webber was appointed to draft a circular letter and send to every man in Charlotte county.

The county councillors will be communicated with and will be given an opportunity to take steps to do something in a practical way for the county. The towns of Milltown, St. Andrews and St. George have already taken steps to organize, and with each parish and district, and the islands adjoining, in line it is expected that this county will raise an amount that will be creditable to its inhabitants.

Bombardier Robert E. Storey, of the 3rd Regiment, Canadian Artillery, received word on Saturday that his wife, Mrs. M. E. Amphion, was reported missing on the North Sea. The message came from the family, who advised that his wife had not been reported among those saved. It is hoped that she will be located. In all, five brothers of the Storey family are in the service of the empire. Robert is the only one in Canada, the others being in the imperial army and navy.
