"For years I was a sufferer from kidney disease and could get no re-relief for it. The doctor examined relief for it. The doctor examined me and analyzed the urine and told me I had chronic disease of the kidneys. As his medicine did me no good I bought Dr. Chase's Kidney and Liver Pills and kept on taking them until I was entirely cured. The doctor would not believe me until he examined the urine again. After doing so he stated that I had no trace of kidney disease left."
