## HOILOWAY'S OINTMENT

The history of these great Remedies is the most wonderful medical revelation that the world has ever known. It establishes the all-important fact that WHERVER, and in WHATEVER SHAFE internal diesase exists, the disinfecting, searching and healing properties of the Pills are fully equal to its subjection and cure, and that, with the Ointment, they are

#### The Great Ambassadors of Health to all Mankind.

This is not a history written by one man, or even derived from the experiences of one nation. It consists of a compilation of jestimonials from the sick of every country—an unimpeachable record, the like of which has never been adduced in favor of any discovery or invention since time began.

# These Mighty Healers, Sick.

The want of a sterling medicinal to meet the ills and necessities of the suffering portion of humanity, and one entirely free from mineral and other deleterious particles, was severely felt till this all powerful medicine was usbeped into the world Holloway's Invaluable Pluss have become the Household remember of all nations. Their attribute is to PREVENT as well as to CURE; they attack the RADIX or ROOT of the complaint, and thus, by removing the hidden cause of disease, re-invigorate and review the drooping energies of the system, assisting nature in her task of VITAL and FUNCTIONARY REFURMATION

Are the sources of the deadliest maladies. Their effect is to vitinte all the fluids of the body and to send a poisoned stream through all the channels of circulation. Now, what is the operation of THE Pills? They cleause the bowels, regulate the liver, bring the relaxed or irritated stomach into a natural condition, and, acting through the secretive organs UPON THE BLOOD TREELE, change the state of the system from sickness to health, by exercising a simultaneous and wholesome effect upon all all its parts and fanctions.

Woman in all her difficulties

Is invited to test the regulating and restorative power of his harmless but effective preparation. At the two peochs of life in which the female system undergoes the most important and critical changes, the Pills will prove a positive sategiarriagainst cril consequences. They are also confidently recommended as a specific in every disorder to which females are exclusively subject.

Be it understood,

That the above statements can at all times be verified by the written testimony of tens of thousands of Junimpeachrible witnesses.
