Scientific and Useful.
 To fasten a loose broom handle; make a slantwise hole with a broadawl, dip a nail in water, and drive it through the handle into the head. The nail will rust and hold more firmly in consequence.
POT POURRI.—Put into a jar rose leaves and buds, a little mint, lemon, thyme, a few bay leaves, a little lavender and rind of a lemon, a few cloves, and sprinkle some powdered bay salt between the layers of the sweet smelling flowers. Fill the jar as you get the flowers, and sprinkle salt as you fill it up.
 A LOVELY THING IN PERFUMES.—"Lotus of the Nile."
VICTORIA CAKE.—Rub six ounces of butter well into a pound of flour; then mix six ounces of sugar; beat two eggs and make with the above into a paste. Roll it very thin, and cut with the top of a glass; prick them with a fork, and cover with caraway seeds, or wash with the white of an egg, and dust a little white sugar over.
 A SEVERE ATTACK.—"I never felt better in my life than I have since taking Burdock Blood Bitters. I had a severe bilious attack; I could not eat, for several days, and was unable to work. One bottle cured me."—John M. Richards, Sr., Tara, Ont. For all bilious troubles use B.B.B.
SPONGE CREAM.—Take one pint of fresh milk, three tablespoonfuls of gelatine, three tablespoonfuls of sugar, three eggs. Put the gelatine into cold milk, let it stand a little while, put on the stove and bring to boiling point, then add the sugar and yolks of eggs, well beaten together; remove from the fire and stir in the whites, also beaten stiff; add a little salt, flavour to suit, and pour into moulds; wet first, so that the cream will turn out easily.
 FOR THE RELIEF and cure of the inflammation and congestion called a "cold in the head" there is more potency in Bay's Cream Balm than in anything else it is possible to prescribe. This preparation has for years past been making a brilliant success as a remedy for cold in the head, catarrh and hay fever. Used in the initial stages of these complaints, Cream Balm prevents any serious development of the symptoms, while almost numberless cases are on record of radical cures of chronic catarrh and hay fever after all other modes of treatment have proved of no avail.
BRUISES IN FURNITURE.—Wet the bruised part with warm water; double a piece of brown paper five or six times, soak it and lay it on the place; apply on that a hot iron till the moisture is evaporated. If the bruise is not removed repeat the process. After two or three applications the dent or bruise will be raised level with the surface. If the bruise is small merely soak it with warm water and apply a red-hot poker near the surface; keep it continually wet, and in a few minutes the bruise will disappear.
FOR TOOTHACHE.—Go buy a bottle of Pain-Killer, and find relief in the twinkling of an eye.
QUEEN'S PUDDING.—One pint of bread crumbs, one quart of milk, warmed and poured over the crumbs; yolks of four eggs, beaten with one cup of sugar and one teaspoonful of butter; bake. When baked, spread over the top a layer of jelly or preserves. Beat the whites of eggs dry, and add two tablespoonfuls of sugar, and spread over the top; return to stove, and bake a light brown. Serve warm with sauce, or cold with sugar and cream.
AN OLD TIME FAVOURITE.—The season of green fruits and summer drinks is the time when the worst forms of cholera morbus and bowel complaint generally prevail. As a safeguard Dr. Fowler's Extract of Wild Strawberry should be kept at hand. For 30 years it has been the most reliable remedy.
SWEET PICKLE FOR RIFE CUCUMBERS.—Pare and cut to any desired shape, put in a pan and pour boiling water over them; add a handful of salt and let stand over night, then drain off the water, pour over good vinegar to which spices to the taste have been added, more of cinnamon than any other (I always use whole spices and tie up in a cloth), let the whole stand on the stove and simmer two hours. Sweeten with a pound of sugar to a quart of vinegar, and you will have a sweet pickle which everybody will relish, and which an invalid may eat with impunity.
Food for Consumptives.
 Scott's Emulsion of Cod Liver Oil with Hypophosphites, is a most wonderful food. It not only gives strength and increases the flesh but heals the irritation of the throat and lungs. Palatable as milk and in all wasting diseases, both for adults and children, is a marvellous food and medicine.

\$500 REWARD
 is offered by the manufacturers of **Dr. Sago's Catarrh Remedy**, for a case of Chronic Nasal Catarrh which they cannot cure.
SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians. By its mild, soothing, and healing properties, Dr. Sago's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache.
 Sold by druggists everywhere; 50 cents.

"Untold Agony from Catarrh."
 Prof. W. HAUSNER, the famous mesmerist, of Ithaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sago's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."
 THOMAS J. HUSKING, Esq., 2902 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sago's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh.
 ELI ROBINNS, Runyan P. O., Columbia Co., Pa., says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sago's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
