

The members of the Comd that
 if some of their members
 were to receive licenses
 to cut Timber, dues of 50
 cents per log or per 1000 ft
 each measure would have
 to be paid; and as respects
 the Timber now down they
 could on that condition
 be allowed to remove it;
 but no more can be cut
 or disposed of except under
 special arrangement concurred
 in by the Superintendent,
 General.

Yours,
 Sir
 Your obedient Servant
 Supt. Howe
