Ottawa 8th June, 1905.

Sir,

With reference to your letter of the 31st ultimo, the contents of which have been noted, I beg to say that the Department approves of your suggestion of the having the farmer's house on Piapot's Reserve, which is about to be repaired, moved to the vicinity of the flowing spring referred to by you. I note that you say the removal would cost \$250.00 over and above the amount already authorized for repairs. The material required should be bought at once, so that the accounts may be dated during the present month, and consequently charged to the appropriation for the current fiscal year.

Your obedient servant.

Secretary.
