Ottawa, Jan. 9, 1915.

Sir,

The Department is in receipt of your letter of the 4th instant, with which you forwarded an account rendered at \$2.50 from Lawrence Ltd. for medicine supplied Mrs. Pat Doyer, and in reply, I beg to say that an explanation is desired in the matter. You will have stated in your letter why the drugs were supplied to this woman. The Department desires to be informed whether Dr. McCaig supplied medicine free to Indians as arranged for under the terms of his appointment when he renders medical services. It is observed that you state in your letter that the drugs were furnished upon the order of Dr. McCaig.

Your obedient servant,
