

children got clothes & different kinds of  
pore cream a set of dolls & a set of  
cup & saucers, please! she got her birthday!  
She is having a glorious time, holding the  
center of the stage! Everyone has been  
good to her & all say she's nice thing  
about both Gordon & her.

Dorabel has been working all day in  
the shop & with young folks have made  
about twenty coronas for the dance which  
which start at midnight. - Corgy idea!!  
Our children are mid-going, & went to  
sports instead.

Except to you, I haven't written any  
letters I think, but will do them this  
week. Had a card from Mr. Frederick  
from England. I suppose Nelson is  
on the ship's seas now. He is number 23!

Nellie is staying in Halifax for the present  
as they have their fear & don't want to give it  
up. This was her upset & great many  
families, but Nancy is perfectly happy  
about it & wants so far as he is concerned!

I hope 1940 will hold all of happiness &  
prosperity as well as good health, for you, I  
trust you may be pleased to carry on the  
great work you are doing. All love and my  
best love & encourage with for the new year
