Re: Water Supply Chekwelp I.R. #26

This will acknowledge receipt of your letter of August 19. I am arranging for our Mr. Boyd to re-locate the pipeline adjacent to Lots D and E as requested in your communication. Mr. Boyd will proceed to the reserve within the next day or so and I am instructing him to stake out a suitable proposed location on the ground.

I am suggesting that Mr. Boyd contact Mr. H.J. Hoad to assist him in connection with this work as I understand he looks after the system and can, no doubt, install the necessary pipe when the opportunity presents.

District Chief Engineer
