

## BAPTIE'S PLANING MILL.

---

Having had my Planing Mill closed down for some time, undergoing repairs,  
and putting in a new boiler and engine, I have pleasure in  
stating that everything is now

**Complete and in Full Running Order.**

Having much more power and better conveniences for turning out work  
promptly than heretofore, as I employ none but

**First-Class Mechanics,**  
and use only

**FIRST-CLASS MATERIAL,**

The public can rely on getting satisfaction in all their dealings.

**J. D. BAPTIE,**

Peterborough Planing Mills, Corner George and Dublin Streets.

---
