Issues all approved forms of life policies and annuities

Its Policy enables you to leave an estate that cannot be taken from those you love by any circumstances. It will secure your wife freedom from those distressing experiences which come to the destitute.

It secures means to continue the education of your children and maintain an unbroken home for them should you be cut off before they are able to care for themselves

It secures your business from being sacrificed, as is so often the case, for want of ready money to meet the demands that come in the process of forced liquidation of the estate by strangers.

Its Annuity Bond will provide a comfortable living for your old age.
