**GOLDEN JUBILEE AT SUNNYSIDE.**

An event of much interest to the participants and their friends, and unique in at least one particular, was witnessed at the Sacred Heart Orphanage on Wednesday and Thursday of last week, when the sisters of the Community of St. Joseph celebrated the Golden Jubilee of their entrance into the religious life. The happiness that shone on every countenance of the household, and particularly on the faces of the children, and the general flutter of excitement that pervaded the institution spoke for the interest in the event, and the fact that four Jubilarians were unanimously celebrating a golden jubilee marked the occasion without doubt as something unique. It was just fifty years before that four young ladies, one of them an almost child of fifteen summers, were received by Bishop Charbonnel into the Community, the ceremony taking place in the old church of St. Paul, as the Novitiate at that time was situated on Power street. The names the four candidates received were Sister Angela, Sister Mary Rose, Sister Veronica and Sister Ephrasia, and these are the four ladies in whose honor the Sacred Heart Orphanage at Sunnyside was on fête and everything was of a golden hue.

The religious part of the festivities took place on Thursday morning, when Very Rev. Doctor Teefy celebrated the solemn High Mass, with Rev. Father Frachon as deacon, and Rev. Mr. McGrath as sub-deacon. A beautiful sermon on the dual subject of the religious life and the Blessed Virgin as the type for womankind was preached by Very Rev. Vicar-General McCann. Solemn Benediction was given in the evening and the singing throughout the service was excellent and of an exceptionally joyous character, the Jubilate and TeDeum being special features. During the day relatives and special friends of the Jubilarians were entertained by the Sisters.

As to the remainder of the celebration, though it was of a delightful character, it will only be of interest to those who can recall the days of childhood, and whose faith in the fairy-lore of those days is still fresh and undimmed by the passage of time. For it is a story of fairies and fairyland that completes the narrative of the Golden Jubilee. This is what was witnessed by those who assembled on Wednesday afternoon: In a great room with walls of gold and white many people had assembled and round about them sprang up palms, tall and green, and flowers and foliage, bright in hue, and across the dome of the great room stretched long scarves, also of gold and white, and everything was bright and joyous. And presently there entered a troop of fairies, headed by heralds looking brave in suits of scarlet and gold and wearing high hats with large and waving plumes, and as they advanced they blew trumpets strong and loud, for they told of the approach of the fairies, and best of all, of the coming of the fairy Queen. With light, fantastic steps the dainty troop entered, singing as they came. "We have come from Fairyland! We have come from Fairyland!" And then they danced round about their Queen, who in robes of state, and with a crown upon her head, issued orders to her assembled subjects. She announced to them that they had come to offer congratulations to four of the children of earth, who for five decades of years had worked long and arduously in the vineyard of the Lord, and now they must lay before their homage in words of song and by offerings of beautiful flowers. And four of the tiniest of the fairies advanced and to the four Jubilarians, who sat quietly in the forefront, garbed in the sombre habit of the Sisters of St. Joseph, they gave each a basket of flowers, typifying the harvest gathered during the work in the vineyard. Then the little yellow fairies of Spring sang of the virtues of the workers, and the gaily decked fairies of the Fall added their testimony. Winter and Summer sent each a troop of witnesses, who told in happy words and notes of the great things done by the four whom all were now delighting to honor. And in their enthusiasm the fairies waved their wands and rang their fairy-bells while their golden tresses decked with sparkling crowns glittered in the blaze of light, and their merry feet kept time to the notes of merry music. Thus having offered their homage they disappeared. In such manner, and with the sweet songs of Erin interspersed did the children of Sunnyside share in the Jubilee.

Very Rev. Doctor Teefy expressed the thanks and appreciation of those present and congratulated the jubilarians on the happy event of their celebrating.

Only a few of the benefactors of the Orphanage were permitted to witness the Jubilee festivities, amongst them being Very Rev. Vicar-General McCann, Very Rev. Father Marjion, C.S.B., Very Rev. Doctor Teefy, Rev. Father Sullivan, Thorold; Rev. Father Jeffcott, Adjala, and Rev. Fathers Rhoderer, Gigninac, Ryan, Domouchel, Frachon, O'Donnell, Murray, Stuhl, Dodsdown, McIntee, McGrand and Minahan. The entertainment was repeated on Monday of this week for the parents and immediate friends of the children. The Catholic Register joins in congratulations to the Sister Jubilarians and to the Institution on its simple yet exquisite entertainment.

**DR. DOUGLAS HYDE COMING.**

When Dr. Douglas Hyde confronts a Toronto audience at Massey Hall on the evening of the 17th inst., he will need no introduction. The fame that has covered him in the Old Land preceded him to the New and ensured for him a warm reception on the American continent. As scholar, poet and patriot, no Irishman to-day stands on so lofty a plane as does the eminent gentleman whom Toronto will have the honor to entertain in the coming week. His efforts for Ireland, and particularly his efforts to restore its ancient language, have placed him in the position of President of the Gaelic League, and the great results which even up to the present have been accomplished speak for the vim and heart which he has thrown into the work. In the great cities of America he has been received and listened to by hundreds of thousands, whose enthusiasm has been aroused to such a height that pockets have been depleted in the cause which Dr. Hyde advocates, and colossal banquets and kindred gatherings have been organized to do honor to the one who has done and is doing so much for Ireland. That Toronto should be behind the van is a thought not to be entertained, and it is hopefully expected that the audience will leave no inch of standing-room, but will embrace every man and woman who remembers the Little Isle kindly, an audience that will make Dr. Hyde feel that he is among friends, real friends, and that every face present will have written upon it the great and unimprovable Irish welcome, "Caed Mille failthe."

**CONFIRMATION AT ST. FRANCIS'**

The Sacrament of Confirmation was administered to 47 candidates, 17 of whom were converts at St. Francis Church on Sunday afternoon. The majority of those confirmed were adults. His Grace was assisted by Rev. Fathers Klaunder and McCann. Others present were Rev. Fathers O'Donnell, Coyle and McGrand.

**AT ST. MARY'S.**

Confirmation will be administered after the High Mass next Sunday at St. Mary's.

**GENERAL INTENTION OF SACRED HEART LEAGUE.**

The General Intention of the Sacred Heart League for the present month is "The Interscary power of Mary," an intention that will come without effort during May, the month devoted the world over to the ever blessed Mary, Mother of God. On devotion towards the Blessed Virgin, the Messenger of the Sacred says: "It is a common opinion among the Doctors of the Church that a tender devotion to Mary is a sign of predestination, and St. Boniface assures us that those who by a solid devotion to Mary make themselves acceptable to her are recognized by the inhabitants of heaven." How easy, then, it should be for us to co-operate with this great intercessor and say, Holy Mary, Mother of God, pray for me, a poor sinner. Let us, therefore, in all our anxieties and troubles have recourse to her powerful intercession."

**ST. MICHAEL'S CEMETERY.**

Plans, which for some time have been occupying the attention of the committee in charge of St. Michael's Cemetery, are about to assume definite shape to the end that something be arranged whereby permanent order and a certain degree of beauty may be assured to this the last resting place of so many of Toronto's Catholic dead. About twelve months ago certain steps were taken and for some time past the contract for the buildings in connection with the cemetery has been let, but further action was deferred, owing to the many difficulties that confronted the movers in the matter, difficulties only apparent to those who have given some thought to the subject. Now, however, a fresh impetus is being given to the matter, and the Archbishop is evincing his interest by addressing the city congregations with a view to eliciting their support. At St. Helen's and St. Francis' churches on Sunday last His Grace called the attention of the congregation to the subject. He said they had every reason to be proud of the new cemetery, Mount Hope, where everything was orderly and attractive, and where this was made possible by the fact that those buying lots there paid enough at the beginning to ensure permanent care. This, however, was not the case at St. Michael's, hence the present difficulty. He therefore urged all who had interests there to call upon the respective pastors and express their willingness to assist in the contemplated work of renovating and keeping continuously in a state of repair and order the old cemetery of St. Michael's.

It is an undeniable fact that rupture can be cured without operation. Our pneumatic appliance cures without loss of time, the most stubborn cases. The appliance is comfortable, soft, easy with lots of elasticity and gives the same degree of pressure as nature itself and leaves nature perfectly free. Our method recommended by the medical fraternity.

**PROCESSION AT ST. PAUL'S.**

Vespers at St. Paul's on Sunday last was preceded by a procession in which the members of the Blessed Virgin's and Holy Angels' Sodality and the Holy Name Society took part. The procession marched along Power and Queen streets into the church, which was thronged. Vespers were sung by Rev. Father McCabe, and a sermon inaugurating the month of May was preached by Rev. Father Doherty.

**CONFIRMATION AT ST. HELEN'S**

On Sunday morning about one hundred of the children of St. Helen's parish were confirmed by His Grace the Archbishop. Although the class had been examined previously by His Grace, a half hour or so was spent in further questioning before the Sacrament was administered. The children answered well and presented a uniform picture of neatness. The pledge was given the boys, after which the Archbishop preached on the obligations entailed by the reception of the Sacrament of Confirmation, ending with a few words to the congregation about St. Michael's cemetery, mention of which is made elsewhere.

**CLOSE OF MISSION.**

The two weeks' Mission, the second of which was for the men of St. Francis' Parish, had its solemn closing on Sunday night. Nearly five hundred men were in attendance. The Archbishop was present, and at the close addressed the congregation. The sermon on perseverance was preached by Rev. Father Klaunder, who advocated prayer, the Sacraments and the avoidance of dangerous occasions of sin as the best means to secure the fruits desired by the Mission. Father Klaunder also expressed his satisfaction with the result, and thanked all who had assisted, the ushers, sacristans and choir receiving special mention. The Archbishop also thanked the Missionaries for the good work they had done, and ended by giving his blessing. The solemn bestowal of the Papal Benediction and of the blessing of the Missionaries then took place. On Monday morning the Requiem Mass for deceased members of the parish, with which the Redemptionists always close their Mission, was said at 5 o'clock, about 700 assisting.

At the meeting of Branch 15 held on May 3rd, Brother Frank M. Clancy donated to the member of this branch procuring the most members during this year a gold C.M.B.A. pin. There is likely to be a keen contest on for the championship. **MRS. PATRICK KEARNS.**

Once more we are called on to chronicle the death of an old friend, one who had resided for nearly half a century in Toronto, and in that time had endeared herself to a large circle amongst whom regret is now general. Mrs. Kearns, widow of the late Patrick Kearns, was born in the township of Albion, but came to Toronto shortly after her marriage and settled in what is now St. Helen's Parish. Here a large family grew up around her, she and her husband, whose amiable and hospitable disposition is still remembered, taking part in every movement for the advancement of the parish. She was a practical Catholic, and though essentially a woman of her home, was an excellent neighbor, and one ever ready to assist in sickness or distress. Mrs. Kearns died after an illness of nearly three months, borne with patience and fortitude. She is survived by four sons, five daughters, an adopted daughter, thirty-two grandchildren and five great grandchildren. The sons are John and Edward of the Toronto Fire Department, and Henry of the Burns Saw Co. The daughters are Mrs. Henry Lappin, Mrs. J. Corney, Mrs. Wm. Smith and the Misses Esther, Fannie and Bessie at home. Mr. Edward Rossney of Toronto is a brother, and Mrs. Carey and Miss Rossney of Albion are sisters. The funeral, largely attended, took place from the family residence, 429 St. Clarens Ave., on Thursday, May 3rd, to St. Helen's church, thence to St. Michael's cemetery. Rev. Father Walsh, P.P., officiating at the Mass and at the grave. May she rest in peace.

**DEATH OF MRS THOS. KENNEDY**

Mrs. Thomas Kennedy, a thirty years' member of St. Mary's parish, died at her residence, 291 Spadina Ave., from heart failure following an attack of LaGrippe. Mrs. Kennedy was born in Ennis, County Clare, Ireland, and came to Toronto about fifty years ago. She died fortified by all the rites of the Church, a consistent and practical Catholicity, together with a generous heart and charitable disposition, preparing her way into Eternity. Mrs. Kennedy is survived by her husband and two sons, Michael of Milwaukee, William of Toronto, and three daughters, Mrs. Lellis of Weston and the Misses Nellie and Frances at home. May she rest in peace.

**MR. M. J. QUINN RESIGNS.**

The resignation of Mr. M. J. Quinn, Mechanical Superintendent of the Provincial Public Works Department, which went in two weeks ago, has just been accepted, though reluctantly, by the Government, as expressed in a letter highly complimentary to the position held by the late Mechanical Superintendent in the minds of the Minister of Public Works and his colleagues generally. In the words of Dr. Reaume, as quoted by the Globe, Mr. Quinn is "a good man, clever in his profession and a splendid worker," and the fact is recognized and appreciated. He is now with the R. J. Cluff Co., Lombard St., representing the firm of Warden, King & Don, Montreal, the oldest firm representing heating goods, in Canada. With this firm the scientific part of the business of heating, ventilating and air purifying will now be the special work of Mr. Quinn. Though not yet 32 years of age, Mr. Quinn was in the employ of the Government for 20 years, beginning when a young boy as assistant plumber, working with his tools for ten years until appointed Sanitary Inspector, to which office that of Mechanical Superintendent has for some years been added. Mr. Quinn is known and esteemed throughout the Province. He is a nephew of the late Hon. Christopher Fraser, and son of the late Thos. Quinn, Bursar of the Central Prison. As a worker in the C.M.B.A. and other societies he is prominent. His confreres at the Parliament Buildings part with him with extreme regret.

**AT THE ALTAR**

A marriage took place at St. Michael's Church, Cobourg, at 9 o'clock on Thursday morning, 26th ult., Father Murray being the officiating clergyman, and the contracting parties being Minnie, eldest daughter of John L. Grosjean, Esq., a well known and highly respected resident of the township of Halfrimand in the county of Northumberland, and Edward J., son of Michael O'Hare, Esq., the popular and successful manufacturer of Midland.

Elaborate and most interesting accounts have been given by the Cobourg newspapers of the marriage ceremony, telling of the bride charmingly gowned in white point d'esprit over cream silk, with trimmings of narrow satin ribbon and chiffon, and bridal veil of tulle, with spray of orange blossoms. She carried cream roses. The bridesmaid, Miss Alice Grosjean, the bride's youngest sister, was gowned in white India mull, elaborately trimmed with valenciennes insertion, hat of white tulle, with white violets and tulle ties, carried white carnations and maiden hair fern. Mr. Joseph D. O'Connell of Toronto was groomsmen.

After the interesting ceremony, the bridal party with about thirty invited guests drove to the house of the bride's parents, where a reception was held, and where, under an arch of violets and smilax the happy pair received the most hearty congratulations. Luncheon was served by Misses Anna Grosjean, Lulu Richardson and Minnie Burns, all decked off in pretty white gowns, the dining-room being also set off to advantage when tastefully decorated with white tulle, violet ribbon, carnations and roses.

The groom's gift to the bride was a handsome pearl crescent, and to the bridesmaid a gold extension bracelet. Mr. and Mrs. O'Hare left on the afternoon train for the east, the bride wearing a pretty travelling suit of smoked grey taffeta with touches of Irish green and gold and hat to match. After returning from a tour of eastern cities, Mr. and Mrs. O'Hare will reside in Midland.

The writer of these lines wishes the happy couple much joy, and trusts that their marriage is an event which will not afford any happy returns.

A Reader of The Register.
