ADDRESS

GOSSIP.

Chas. Currie, Morriston, Ont., near Guelph, writes: I sold my young Clydesdale stallion, Morriston's Pride, to O. Sorby, Guelph, at a fancy price. I have on hand a choice lot of Tamworth sows for sale, in farrow to a first-class boar, at prices reasonable; am sold out of boars fit for service. This is the best year I ever had in the business. "The Farmer's Advocate" is the best paper for stockmen to advertise in to make good sales for good stock. It takes the lead of all farm journals.

B. Rothwell, Hillsdale Farm, Ottawa, advertises for sale the imported Clydesdale stallion, Banquet, a brown four-year-old son of Silver Cup, by Baren's Pride. Banquet was winner in his two-year-old form of many prizes in the North British Shows, notably first at the United Counties Show of Durham and Northumberland, and a horse foal by him was first at above show in 1909; also at Cumberland Show. It is hardly necessary to draw attention to the fact that his breeding is of the gilt-edged variety. As Mr. Rothwell has Silver Strand, by the same sire, in his stud, he has no use for both horses, and will show 70 per cent. of his last season's mares carrying foals to him.

THE DON JERSEYS.

There is probably no herd of dairy cattle in the Dominion, of any breed, that is kept in better condition or receives more care, than the Jersey herd of David Duncan & Son, Don, Ont. The strictly high-class character of this herd is well known by Jersey fanciers all over the continent, and certainly there is none that has received more attention in the matter of herd-headers. This is the only herd in the country that can boast of having at its head a son of the world's greatest sire of the breed, Golden Fern's Lad, a bull, it is claimed, that has sired more prizewinners, that have sold for higher prices, and his heifers have been higher testers and producers, than the get of any other one bull alive or dead, that the breed has produced. This bull is Fontaine's Boyle, by Golden Fern's Lad, dam Nunthorpe Fontaine (imp.), who, at 11 years of age, sold for \$1,035, and with a butter record of three pounds a day. At the same sale, a two-year-old daughter of hers, sired by Flying Fox, sold for \$1,400, her dam, Fontaine 9th, a half-sister to Golden Fern's Lad, has a butter record of 2 lbs. 10 ounces a day. At T. S. Cooper's sale, a half-brother of this bull sold for \$10,000, and another eight-months-old sold for \$10,200. Assistant in service is Brilliant's Golden Fern, by Fontaine's Golden Fern, a son of Golden Fern's Lad, dam Imp. Brilliant Dentonia, who is the dam of that famous bull, Blue Blood of Dentonia. To cross with the daughters of these great bulls, Mr. Duncan has lately purchased the royally-bred young bull, Eminent Royal Fern, got by Sensational Fern, a son of Golden Fern's Lad, dam Eminent Evasion, with a milk record of 54 lbs. a day, and a seven-day butter record of 22 3-5 lbs. The daily milk record of the herd shows: For mature cows, 40 to 49 1/2 lbs.; for three-year-olds, 35 to 42 lbs.; for two-year-olds, 32 to 38 lbs. One hundred and ten, of all ages, make up the sum total of the herd at present, 42 of which are in milk. Last month (February), with 39 milking from three to six months, the check received for cream shipped to Toronto, was \$408. Among the long rows of choice cows, we noticed such particularly good ones as Rosetta of Don, the first-prize three-year-old at Toronto, London and Ottawa; Lady Maid of Don, a most persistent milker, now giving over 40 lbs. a day; Sunshine of Don, whose big, well-balanced udder looks good for over 50 lbs. a day; Lady Primrose of Don, who, when fresh last July, gave 49 lbs. 12 ounces, and is now giving 40 lbs. a day. The intensive breeding of the herd, through the great stock bulls that have been used, has resulted in wonderful persistency of milking, and evenness in quantity of yield, months after freshening. The young things are very uniform in type, and full of quality. For sale are a number of heifer calves, from four to nine months of age, two young bulls, big enough for service, and several bull calves, high-class in quality, with breeding unsurpassed. The farm is only ten miles from Toronto, on the C. N. R., Duncan Station.
