Gossip.

A BIG STALLION AND FILLY SALE.

An opportunity quite unprecedented in the horse history of this country for the purchase of imported Clydesdale and Percheron stallions and mares, Standard-bred stallions, ponies, harness horses, and a full equipment of horse fittings, including halters, belts, rollers, housings, heavy and light single and double harness, will be presented at C. A. Burns' Repository on Wednesday, February 4th, 1914, when Dr. T. H. Hassard, of Markham, Ont., will sell, without reserve, a large consignment of stallions and mares of a standard of quality never before offered by auction in this country. Practically every one of them is a prizewinner at the leading shows in Canada, Scotland, and France, ranging in honor from championships and grand championships, down to third and fourth prizes. Every one is thoroughly acclimatized, and in the pink of condition. Dr. Hassard is out of the showing business for good, and while he intends to still import and fit horses for sale, he will never again exhibit, hence all his show fittings will be sold. In this offering are, without doubt, the most valuable and most fashionably-bred horses ever brought to Canada. For full particulars of the breeding, terms, etc., write for a catalogue, as the sale will be held during the week of the annual live-stock meetings. There will be reduced fares on all railways.

THE BIG SHORTHORN SALE.

The annual sale held by several Shorthorn breeders in Toronto, has come to be an event of the first importance in Canadian cattle-breeding circles. Several of the leading breeders sell on that occasion, many of the best cattle they can breed or furnish. There is no question about their having made good all their claims in past sales, and this year we are assured that the offering is equal if not superior to any previous one. J. A. Watt, fresh from his good record at the International and the Toronto Shows, offers the best lot of heifers he has put in any sale. They are strong in good blood, and in quality, too. None but a high-class herd could year after year supply such a lot. John Miller, Jr., furnishes a splendid lot, with the usual nice breeding and quality that his cattle are noted for. Many young bulls in this lot will be interesting to the hundreds of men that are this year determined to have better bulls than ever before. Captain T. E. Robson is offering three heifers that will speak for themselves when you see them, high-class stuff either for showing or for breeding. Robert Miller, Stouffville, Ont., the manager of the sale, to whom you should write at once for a catalogue, is selling twenty-five cattle, half bulls and half heifers. Missie Marquis, a five-year-old Missie bull that was grand champion at Toronto in September, is one of the most attractive bulls, valuable in every way. Longfellow, a Village Blossom, that was first in the junior yearling class in Toronto, is rated by the owner as the best bull he has had. He is bred the same as young Abbotsburn. There is also a son of Ringmaster, from a Willis Lavender cow. This calf is a wonder, and will attract attention for good reasons. Many more bulls go to make what a good Canadian breeder pronounced the best lot of bulls he had ever seen in one herd. The heifers are better than ever before. They have the breeding, the size, the condition to make them valuable, and many of them are in calf to or sired by Superb Sultan, one of the best of Whitehall Sultan's sons. There is not much time to arrange for attending the sale, and the catalogue should be in your hands as soon as possible. Good cattle are scarce, and they are needed. This sale has always uncovered some of the best and the cheapest of the year. It will be to your interest to attend, and you will be treated well, too. See the advertisement in this issue.

Make Your Stock and Poultry Pay Better with

Royal Purple

STOCK AND POULTRY SPECIFICS

At a cost of less than a cent a day per head of stock, it will increase their value 25 per cent. Permanently cures Colic, Debility, Worms, Bots and Skin Diseases. Tones up run-down animals so that they quickly gain weight and vigor. Increases the yield of milk cows three to five pounds a day, besides enriching the quality of the milk. ROYAL PURPLE is not a food. It is a conditioner—the best ever so'd. If there was any better we would be making it. It enables your stock to eat the natural food they should eat and get the most benefit from it. Here is the advice of all thorough veterinary doctors—"Feed your stock on food of your own growing"—not pamper them with soft predigested mush so that after a time they cannot digest good, wholesome feed. Feed the good food grown on your own farm—hay, oats, bran, chop, etc. You know what these things cost you and what they will do.

ROYAL PURPLE is an aid to these natural foods and if you use it as directed, we can guarantee better results than if you feed any of the concoctions offered on the market as "prepared foods."

ROYAL PURPLE is an aid to these natural foods and if you use it as directed, we can guarantee better results than if you feed any of the concoctions offered on the market as "prepared foods."

Try It On a Poor-Conditioned Animal

If there is a run-down, poorly nourished beast on your farm, see what ROYAL PURPLE SPECIFIC will do for it. A 50c package lasts a cow or horse 70 days. The cost is so trifling that no farmer in Canada has any excuse for having out-of-

health stock around his place. Try it on the poorest-conditioned animal you have and we know you'll be surprised at the result of a short treatment. Cattle and hogs fatten up a month earlier than without it, which means you save a month's feed and a month's labor. You can bring six pigs to the pink of condition at the cost of \$1.50. Steers treated in the same way cost no more than \$1.00 each to put in prime state for market. ROYAL PURPLE SPECIFIC fattens and keeps well horses, mares, colts, cows, calves, steers, hogs. Sold in packages, 50c, and air-tight tins, \$1.50.

Try ROYAL PURPLE POULTRY SPECIFIC on Your Hens

Do you know that ROYAL PURPLE POULTRY SPECIFIC makes hens lay in winter as well as in summer, and keeps them free from disease? It does, and helps them over the moult, fattens and keeps them in vigorous health. A 50c package lasts 25 hens over 70 days. Shouldn't you try it? We have hundreds of recommendations from all parts of the country. If ROYAL PURPLE does not give you better results than anything you ever used, or give you satisfaction, we will refund your money. No matter what your opinion of other preparations, we want you to give ROYAL PURPLE POULTRY SPECIFIC a chance to show what it can do for your poultry—and a 50c package will show you some fine results. Sold in 25c and 50c packages and \$1.50 air-tight tins.

WE ALSO SELL

Royal Purple Cough Specific for cough and distemper. (Will cure any ordinary cough in four days). 50c, by mail 60c.
Royal Purple Sweat Liniment for lameness, rheumatism, sprained tendons, etc. 50c, by mail 60c.
Royal Purple Worm Specific for animals; removes the worms, also their larvae. 25c, by mail 30c.
Royal Purple Disinfectant, in 25c, 50c and \$1.00 tins.
Royal Purple Lice Killer for poultry and animals. 25c and 50c, by mail 30c and 60c.
Royal Purple Gall Cure for scratches, harness scalds, open sores, etc. 25c and 50c, by mail 30c and 60c.
Royal Purple Rapp Specific for roup, pip, diphtheria, typhoid fever, canker, white diarrhoea, swelled head, etc., in poultry. 25c, by mail 30c.

Free TO STOCK AND POULTRY RAISERS

We will mail for the asking our new revised 80-page book on common ailments of stock and poultry. Tells how to feed light and heavy horses, colts, mares, cows, calves, steers, hogs; also how to feed and keep poultry so that they lay winter and summer. Cover lithographed in six colors, showing farm utility birds in their natural colors. This is a book that should be in every farmer's possession. IT'S FREE. Write for your copy today.
