From the reports presented to the meeting, i

appeared that the intolerant and persecuting

spirit of the clergy of the Established Church is

almost everywhere on the increase, and all sorts

of expedients are resorted to for the purpose of

seducing children from our schools. In the

large towns we are not so liable to this clerical

interference and opposition ; but in the agricul-

For the last few years the Home Missionar spirit of Methodism has been aroused to more vigorous zeal on behalf of the godless multitudes which throng our country. The number increased : and these additional labours have in most cases been attended with a very encouraging measure of success.

From the report, however, presented to the Committee, it appears that the increase of income, although very considerable, has not been £6000. In these circumstances the opinion was strongly expressed that it would be unwise to recommend the Conference to entertain any resh application for a Home Missionary Minister, except where the Circuit would take the en-
