The Legislature of the colony was prorogued on the 24th ult. Among the bills assented to was one requiring compulsory vaccination. A very sad accident occurred on Wednesday evening last. A man named Joseph White, his usual rounds with the bread-cart, discovered that the shaft pin of the cart had dropped out, and while in the act of jumping from the cart to replace the pin, his foot caught in the reins, and threw him to the ground, the horse starting at the same time drew the wheels of the cart over his body, causing some internal injuries, which proved fatal yesterday morning. The deceased, who during his life was a strict and total abstainer, and an industrious faithful servant, leaves a wife and family of 8 small child-
