## UNFERMENTED WINE,

Prepared for Sacramental and Dietetic use

F. WRIGHT, MANUFACTURING CHEMIST.

KENNEDY HIGH STREET, LONDON, W.

"This WINE is guaranteed to be the juice of the finest grapes of the Cote d'Or, Andalusia, and the Medoc. It is perfectly free from Alcohol, and is guaranteed to be Pure Grape Juice. It has stood the test of 22 years' continuous sale in every climate, and is now used in upwards of 1600 Churches of all denominations. The mode of manufacture is a slight modification of a well-known ancient practice, and effectually preserves the grateful flavor and the rich nutritious qualities unimpaired. It is therefore admirably adapted in cases of debility and fever, in which the stomach is too weak to digest other food. Children suffering from febrile ailments drink it with avidity, even when all other food has been refused."

JOHN M. HODGES, Esq., M.D., F.C.S., Public Analyst for Antrim County and Belfast Borough.

"I have chemically examined the bottle of Wright's Unfermented Wine (taken by my son from the stock held by Mr. Wright's Belfast Agent), and find that it is free from alcohol, and contains the constituents of grape juice. When mixed with water it will prove an agreeable beverage."

FROM REV. JOHN BURWASH, Formerly Professor at Mount Allison Wesleyan College, Sackville, N.B.

Sackville, May 23rd, 1882.

"I have just finished the analysis of the Wine sent. It is necessary a slow process, some of the steps taking two days. This Wine contains NO ALCOHOL, nor any deleterious ingredient. It can be relied on as wholesome, not having any intoxicating properties."

STOP AND THINK

before you buy all the extensively advertised nostrums of the day which have made no genuine cures, and have nothing to commend them to the public, but false praise from the vendors, who instead of manufacturing an article of worth, which would cost money, give to agents immense profits to ensure their sale, and the sick who have been induced to try them, only find out when too late that they are really no better, and often worse than before using them, then in the meantime the proprietors have

CAREFULLY

laid away a fortune, and in a short time the very name ceases to be seen or heard.

Gates' Life of Man. Bitters may be relied on as a medicine of great merit, and has made some of the most remarkable cures ever known, and has never been introduced into any locality where it has not given evidence of great value to the suffering sick. Hundreds of cures have been made in the provinces with this medicine in connection with the Invigorating Syrup, and hundreds of certificates from good citizens, and the clergy, many of which are under oath, can not fail to convince the most skeptical of their great curative properties.&lt;/
