READ WHAT DR. DAKIN, OF PUCWASH, N. S., SAYS:

Putner Emulsion Co., Halifax.
GENTLEMAN, I have used PUTNER'S EMULSION OF COD LIVER OIL, &c., for a number of years, and it is a remedy of great use in many forms of disease, especially in Pulmonary Consumption, Scrophula, Anemia, and in fact in a variety of the system showing a DEPRIVED CONDITION OF THE BLOOD, with LEAK OF BONE and deterioration of vital forces. I have also used it, with very much satisfaction, in Wasting Diseases of Children and some other complaints incidental to childhood.

COUGHS AND COLDS

COUGHS AND COLDS that we so frequently neglect and which so often prove the seeds sown for a harvest of Consumption, should have immediate and thorough treatment. A teaspoonful of PHOSPHORIZED EMULSION taken whenever the cough is troublesome, will relieve the patient, and persevered in, will effect a cure in the most obstinate cases. Always ask for PHOSPHORIZED Emulsion, and be sure you get it.

From Messrs Fish & Ireland,

Manufacturers of our National Foods, Lachute Mills, P. Q. Oct. 28, 1884 Messrs T. Graham & Son.
It is fifteen years last month since we gave you an account of some remarkable cures of Rheumatism &c. by the use of our Pain Eradicator, and now after so long a trial we assure you that from year to year your remedy has held its merit and is producing the same effects. It affords us great pleasure to say that all similar remedies the pain Eradicator stands FIRST in our family use and recommendation. We would not be without at twice its cost.
