Mr. Charles Macdonald, of Glasgow, has presented Christ Church in that city with a very handsome gift in the form of a silver gilt and heavily-jewelled Communion Chalice and Paten. The numerous stones which adorn the cup are symbolic. On the back of the Paten has been inscribed in Gothic lettering the following words:—"To the glory of God and in memory of the Very Rev. Mt. Charlestown, S.C., has had three large photographs taken of the interior and exterior of the church, and of the emblematic plaster cast of the pelican and her young over the front door. These have been handsomely mounted and framed in walnut and gilt. Below the pictures are inscribed in old English lettering the historical data of the parish, the names of the missionaries sent over by the S.P.G., and those of the present vestry, together with the words, "Presented in Grateful Remembrance." The whole is to be sent to London to be placed in the hall of the new S.P.G. House as a testimonial of gratitude for the fostering care of that Society over the old parish in early Colonial days.
