

JAPAN TEA

Undeniably the best imported into Canada.

It is grown in a country where modern ideas prevail, and is carefully looked after while under cultivation. Soil and climate combine in producing healthy growth.

Every package of tea shipped from Japan is inspected by competent inspectors, and if it is not good, pure tea, properly packed and graded, it goes back to the grower. Do you sell this kind, or do you sell some other?

You will find it very profitable to handle good, pure, wholesome

JAPAN TEA
