**COMPLETE HAY CARRIER SLING OUTFIT**

Our Hay Cars work from centre as well as end, although carriers will use any size from 2 to 1 inch. Here are the prices complete.

Including all fittings necessary. The Sling Car we supply with our Sling Outfit is a better car than agents sell for \$12.00. We have thousands of these Hay Outfits in use, and guarantee them to be easily erected and give perfect satisfaction.

For Convenience in Ordering We have arranged these Steel Track Outfits complete for different sized barns, for the accommodation of our customers, not only to save them time and trouble, but also for those who do not know just what an outfit consists of. We have arranged them, however, in the best possible manner that is, setting you as much as we possibly can, at the same time giving you plenty of everything necessary. Longer rope than one inch would be used. We will make any change you desire in these outfits, according to prices of articles listed.

The brackets and the hanger hooks are furnished to be placed on every radius wheel 2 feet apart, as is usual in modern barns.

The steel track is made of 1 inch angle steel, 2 pieces laid together with malleable clamps. It is cut to 16-foot lengths, with two 2-foot pieces to each end for break joints.

We use best grade special Mexico Rope, 1 inch, and the pins complete.
