## Good Property To Own

If you could, by paying a small sum annually for twenty years, purchase a \$1,000 farm—with the stipulation that instead of interest being charged on deferred payments you would be paid compound interest on your deposits—and, further, if during the term of the contract you died, all unpaid instalments would be cancelled, and the farm decided to your estate—would you not eagerly grasp the opportunity?

In actual money, instead of land, this is the proposition of The Great-West Life Assurance Company in offering the Limited Payment Life Policy.

If you are interested, drop a post-card to the company, giving date of birth, when full details will be mailed by return, together with an interesting pamphlet "Good Property To Own."

## ALASKA Settee-Bed

a handsome, easy, upholstered settee which will fit in any room.

The best looking and most comfortable steel couch bed on the market.

ASK YOUR DEALER.

When opened makes a bed 6 ft. 2 in. long by 4 ft. wide—plenty of room for two people.

THE great big feature of the Alaska Settee-Bed is its space-saving construction. It is only 4 feet long, and can be used in rooms where an ordinary 6-ft. Davenport is out of the question, and it's comfortable—no ridge up the center like the Davenports, won't sag nor get lumpy, because the good, clean cotton felt in the heavy denim upholstery stays in place.

¶ The frame is heavy steel—with massive oak arms. Pleated valance on front and both ends to cover the steel construction.

¶ Alaska Settee-Bed can be used in den, sitting-room or parlor, and is a finished ornament to the home.

Ask your dealer for it, or write us for the name of nearest agent
