DR. G. W. HALSEY,—Every fall, for several years back, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1849 two of my sons were taken with the same fever which Bilious Fever, of a most malignant form, which sickness occurred in my family. I had always used Calomel, Epsom Salts, &c., at this time having two sons of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, and four hours after I gave them three Pills more. They soon operated, bringing away much black and foul matter. On the following day the fever had left them, and they both recovered without any further sickness. Since this time I have always your Forest Pills at hand, and in all cases of sickness we have used them with the most happy results.
