HON JAS MC SHANE, M. P. P. MAYOR OF MONTREAL

Recognizes Honesty and Merit Canadians Must Commend Hir

The Hon. Jas. McShane, Mayor of Mon treal, is a man who possesses many strong characteristics which help to Make the suc-cessful ruler, politician and business man. Some of these characteristics are strongly devaloped in Mayof McSbane's every day life, and are worthy of our admiration. When the worthy Mayor knows he is following the great path of duty, honesty and truth, no human power can cause him to swerve from it. He is always opposed to charatanry and deception, but ever ready and willing to hold tenacions to that which bears the royal stamp of worth and merit.

which bears the royal stamp of worth and merit.

In be body lay on a plain iron bedstead, a crown of laurels placed at its head.

Close at hand hand were a few books, among them a volume of Tennyson which he had been reading in the morning to Lady Lytton, and the sheet of paper on which he was writing at the moment of his death. I have never looked upon a dead face so impressive in its calm. It is that of a man who has done his work and has entered into etenity without fear."
