Turks and Bulgarians Fight.
Constantinople, Jan. 2.—In a recent
fight between Bulgarians and
Turkish troops at the village of Dre-
nova, in the Monastir district, fifty
of the latter were killed or
wounded. The Turkish commander
was among the killed. The Bulgari-
ans, who were barricaded in a house,
also sustained losses, but the survivors
escaped.

Germany's Trade.
Berlin, Jan. 2.—Partial returns
from the consular district indicate
that Germany's exports to the U.
S. increased in 1902 by about \$5-
000,000 over those of 1901. The im-
ports from the U. S. fell off, but no
reliable figures are available.

TWO MONTHS TO BUILD.

New Factory Building Must be Ready
by March.

New Year's day made no difference
to a good many workmen. They
were hard at work, taking advantage
of the fine weather for building. At
the Deering works a great lot of men
in all branches of the building trade
have begun the new year with pros-
pects such as they never had before
for a good season. The brick work of
the malleable iron building is in pro-
gress, and is one story high in one
section. The steel roof is now being
put on the pumping house, which will
be a much larger building than was at
first intended. The automatic sprink-
ler system is now being installed in
the woodworking building, and local
architect E. E. Patterson is calling
for tenders for plumbing.
Architect Patterson has also the
new building for the Dominion Cotton
Belt Company in progress, the ex-
cavators and stone masons' being
hard at work. The contractors have
the Tewing bakery, Mr. J. McMurry-
rich's fine house on West avenue, a
fine dwelling for Mr. D. Crosthwaite,
Bartoville, a house for Mrs. Hunt, on
the mountain, a house and stable for
W. Carroll, grocer, and many others.
He expects to make a start on the
forty houses near the Deering works
as early in the spring as the ground
can be broken. It is expected that 300
houses will go up in that section this
year.
Work on the M. Brennan & Sons'
lumber mill and on the Parliarian Lau-
ndry was going on yesterday.

MET THE NEW MINISTER

Knox Church Congregation Greet
Rev. E. A. Henry.

The members of Knox Church turned
out in large numbers last night
to greet their new minister, Rev. E.
A. Henry, and a most enjoyable time
was spent by all. Tea was served in
the basement of the church, where ad-
dresses of welcome were given by
Rev. Dr. Fletcher, Rev. J. H. Hazle-
wood, Rev. J. K. Unsworth and Pastor
Philpott. Songs were also sung by
Miss Kraft, Mr. Freeland and Mr.
Beth Siddall, and Miss McPherson
gave a recitation. Mr. W. Cunning-
ham played the accompaniment. Mr.
Henry will preach his first sermon
on Sunday. A pleasant feature was
the presentation of a cheque for \$200
to Rev. E. A. Henry for his services as
moderator, to which that gentleman
made a suitable response. Mr. T. J.
Stewart made the presentation.

porter. Other persons saw him there
at that time. Some of the aldermen
were him there and spoke to him.
When the Council met Ald Morden
was not present. His absence was
noticed and was commented upon.
A question was asked which Ald
Morden should have been able to
answer.
"Where is Ald. Morden?" was asked.
"He is in the building," was the
reply given by Ald. Dunn.
At that meeting, too, Ald. Morden
was openly accused of neglecting the
interests of the north end.
"Ald. Dunn asked a question con-
cerning the proposed through street
in the northern part of the city."
"To this, Mayor Hendrie replied:
"Ald. Morden is not here to answer."
"Ald. Dunn—He is in the building, or
was a few minutes ago."
"Ald. Waddell sharply criticized
Ald. Morden for his neglect, and said
that if the Board of Works had done
its duty the north end improvements
would not have been delayed.

NEWS FROM THE CAPITAL.

Death Again Visits the Dom- inion Senate.

ONLY THREE OLD SURVIVORS.

Ottawa, Jan. 2.—(Special.)—Hon.
Clifford Sifton will receive a recep-
tion from the Commercial Club, of St.
Paul, on his western trip. Mr. Sifton
will start to-morrow for Detroit. It
is understood that Mr. Louis Davies
will go along with the Minister of the
Interior. They will be away about
three weeks.
The death of Senator Armand, of
Quebec, leaves the standing of the
parliament, including vacant seats, in
the Senate, 42 Liberals and 39 Con-
servatives.
There are now only three Senators
who were appointed at Confederation.
They are Senator Dickey, who is 91
years old, Senator Miller, 69, and
Senator Wark, who will enter upon
his 100th year next month. These
three belong to the Maritime Pro-
vinces.

GRIMSBY CELEBRATION.

Double Function at Residence of Mr.
I. B. Walker, Yesterday.

A most delightful reunion was held
yesterday at the residence of Mr.
I. B. Walker, fruit grower, at Grimsby.
The affair was in the nature of a sur-
prise party to the able host and hostess,
the party taking possession of the home
early in the day. It consisted of the
brothers, sisters and cousins of Mr.
Walker, and many took their baskets
full of good things, a capital dinner
was served and a short toast list
presented, in which the health of Mr.
and Mrs. Walker was enthusiastically
received and honored. Mr. Will Van
Duzer was Chairman. Congratulatory
speeches were delivered by Messrs. J.
E. Walker, his brother, and L. D.
Evans, Stony Creek. The event mark-
ed the 25th anniversary of Mr. and
Mrs. Walker's wedding, and his 64th
birthday celebration. Among those
present were: Dennis Van Duzer, R.
H. Walker, Ransom Hagar, C. Haw-
key, George Van Duzer, John H. Wal-
ker, Grimsby; Dr. Jones, Mount Hope;
Walter Baird, Beamsville; Wm.
Drummond Toronto; Ira Van Duzer,
Windsor; Dr. Green, A. E. Walker, C.
E. Hopkins, Stony Creek; Dr. Fred
Van Duzer, Toronto, and many others,
with their ladies. A group photo-
graph of the gathering was taken,
which closed one of the most enjoy-
able affairs in the history of the Wal-
ker-Van Duzer families.

AGAINST THE CITY.

McPherson & Co. Are to Get Taxes
Wrongfully Collected.

This morning Judge Monk gave
judgment in the Division Court case
of McPherson vs. City of Hamilton,
a suit for \$18 taxes, which the plain-
tiffs paid under protest. He found in
favor of the plaintiffs.
The plaintiffs contended, success-
fully, that the city should have col-
lected the taxes when they were
due from the former owner of the
property. The taxes in question were
for 1896, but the payment of them
was not enforced till a few months
ago.

Many Fatal Accidents.

Hazleton, Pa., Jan. 2.—The annual
report of the mine inspector of the
15th anthracite district, made public
to-day, shows that 24 fatal accidents
occurred during 1902, leaving 13
widows and 36 orphans. In 1901
there were 60 fatal accidents. The
long strike made the difference.

SAVED CHILDREN FROM FLAMES.

Mrs. Cummins Rescued Three Children—
Lost Everything Else.

On New Year's eve the home of
Mr. Elias Cummins, a highly respected
resident of Millgrove, was burnt to
the ground, and Mrs. Cummins had
great difficulty in rescuing three of
her children, who were sleeping
at the time. Mrs. Cummins had gone
to the grocery store some distance
away, and the two other girls of the
family were out, leaving Mrs. Cum-
mins and her three little ones at
home. About 9 o'clock she discov-
ered the fire, and at once thought
of her sleeping children. She re-
alized that there was only one thing
to do, and that was to save the
children herself. The fire had made
such headway that she had only
time to get them out in their night
clothes. By the time she had accom-
plished that it was impossible to re-
turn to the building, and every ar-
ticle of furniture and clothing of
the entire household except what
the members had on was consumed
by the flames.
Great sympathy is expressed for
Mrs. Cummins and family, and yester-
day a purse of \$50 was raised
for their assistance. That will
scarcely do more than buy clothes
for the three children. A benefit con-
cert has already been arranged for
next Thursday night.

SCOTT TO SUCCEED REDLEY

As Dominion Superintendent
of Immigration.

NEW YUKON COMMISSIONER

Ottawa, Jan. 2.—(Special.)—W. D.
Scott, Canadian Commissioner to the
Glasgow, Cork, and Wolverhampton
Exhibitions, as well as one of the
commissioners to the Paris Exposi-
tion, has been appointed Superintend-
ent of Immigration, in the place of
Frank Redley, who was made Deputy
Minister of Indian Affairs. Mr. Scott
has had a large experience in immi-
gration work. He was for several
years immigration agent for Mani-
toba, with headquarters in Toronto.
He resigned that position to go to
the Paris Exhibition. Mr. Scott is
a native of Dundas, Ont., and his ap-
pointment to the head of the De-
partment of Immigration will be
generally well received.
Fred T. Congdon, Crown prosecutor
in the Yukon, will likely be the com-
missioner of the Yukon, to succeed
Hon. J. H. Ross, who resigned and
was elected to the Dominion Parliam-
ent. Mr. Congdon went to the
Yukon from Halifax to be legal ad-
viser to the Yukon Council, but he
afterwards resigned, and was ap-
pointed on his own account, and became
Crown prosecutor as well. Mr. Cong-
don is at present in the city. His
appointment to the Yukon, as well as
wherever he is known.

THE MAN IN OVERALLS

What like a time did you have?
Stick to your good resolutions.
Don't forget to write it 1903.
It is a long time now since
Charlie Baird lost his liquor license,
but he feels sore over it yet.
The Spec. treats Mr. Colquhoun as
an outcast.
Mr. Morden took in the Hogmanay
concert and ball. I didn't know he
was a dancer.
Mr. Dixon's connection with the
Third Man was just as open and
straightforward as was Mr. Gart-
shore's, and that was perfectly
straight.
Jamie Clark was neither a Dixon
man nor a Bart.

Morden has been blowing about
the "stuffs" he was going to put
up. But he and his gang are being
pretty well watched.
So Geo. S. Burkholder is neither
fish, flesh nor tree herring.
Hugh Sweeney sees his mistake
now when it is too late.
Vote for Sunny Jim Dixon.
Keep your eye on No. 7's Tory
executive.
All the Independents are Tories.
Don't forget.

Having kicked Geo. S. Burkholder
and E. A. Colquhoun down stairs, and
having threatened to do the same
to J. G. Y. Burkholder, the Spec.
turns round and smugly talks about
a united Tory party.
Ex-Ald. Thomas Allen has built
\$18,500 worth of workmen's
houses during the year—all at his
own risk. Tom must have built over
half a million dollars' worth in his
time. A man like that should have
a seat at the Council board. He would
be sure to keep the taxes down.

What about the fur coat? What
about the railway passes, the cement
contract, the port and improve-
ments, the parsonage, the sewer
petitions, the overdraft, the en-
gineering deal and the coal for the
public? What about them, Mr. Morden?
Look out for George Wild and his
cemetery vote on Monday.
Mr. Ennis is a live man and no
mistake. Give him a vote.
P. P. A. Kingdon is now bragging
about the way he "trood" down
Hughy.

Basquill is a Labor man. That's
enough. Down with him, cries the
Spec.
Sam Howard thinks he ought to
be building insurances.
Watch for Tory personators and
ringers.
Dan Dewey is a safe man. Dan
does things.
Don't bother with Ald. Stewart. He
can do better work on the Cemetery
Board than at the Council.

James Dickson, the aldermanic
candidate, stands high in the estima-
tion of all his friends. A vote for
him is a vote for clean government.
Help out the vote on Monday, and
get rid of the Tory gang.
Mr. Eastwood is another clever
young man who deserves a chance to
show what he can do. Vote for him.
Teddy Fearnside should get Frank
Walker's vote and all the other Jack
Tars'.
Ald. Wallace really makes me tired.
I never knew a man who could talk
so much and say so little. Talk
about talking machines.

It's as good as settled that Find-
lay will be chairman of the Board
of Works. No passes.
What made Ward Foreman Kerr
imagine the Times was talking about
him? The safest way is to keep away,
and let the men vote as they want to.
The Spec. is mad at Seneca Jones
because he is a good living man. It
can't be that.
I think the Mayor is glad to get
out of it.

Morden not only spent all his ap-
propriation and more, but he spent
some \$175,000 as well, last year. The
man surely thinks this is New York.
Mr. Dixon would feel particularly
obliged if the ladies would come out
on Monday and vote for him.
Mr. Wingate says he has Morden
beaten to a standstill.
Keep your eye on Frank Quinn.
What's Frank after, anyway? That
City Hall job?

Morden's coal deal was a cold deal
to the poor people.
Watch the polling booths and call
the police the minute you see a Tory
personator.
Vote for Sunny Jim Dixon and put
him at the top of the roll Monday
evening.
I see now why Morden wanted that
\$100,000 by-law passed. His Tory
friends would have had a fine time
spending it, if they had the chance.
How many men does Morden pay
weekly wages out of his stocking?
Mr. Wingate is delighted with his
mistake so far. Morden made the
mistake of his life when he turned him
down.
Think of that! Thirty thousand
dollars of a deficit. No wonder Mayor
Hendrie refused a third term.
What a fine lot of young men can-
didates the Grits have to be sure.

VOTE NEXT MONDAY FOR GOOD MEN ONLY

You Can Make No Mistake by Following This Ballot.

James Dixon for Mayor—For Aldermen Vote for Those Men Who Will
Oppose the Extravagant Bunch of 1902 Who Piled Up an Overdraft of
Over \$30,000 During the Year and Have Not Paid the Debts They
Contracted—Vote Early and Work for Honest City Government.

Electors of Hamilton should have no hesitation in voting against
the men who, during 1902, loaded the city with debt that will ham-
per the operations of the incoming Council. The expenditures of 1902
have had two years at it and surpassed their 1901 record during the year
that has just closed. If returned to office again there is no telling
where they will land the Council of 1903. There can be only one end
to the sort of spending that the Council of 1902 did, and that is in-
creased taxation. If you want to 22 mills on the dollar next Septem-
ber, vote for Morden and the Tory aldermen. If you want efficient and
careful civic management, mark your ballots as below:
