Vol. II.

The following singular been brought to light, and tway. It is not long since, stances were disclosed at police offices, but owing to

gether, the public in all probability would have gether, the public in all probability would have remained in perpetual ignorance, but for the loquacious turn of the party immediately concerned. A valuable little work, entitled "Anglers' Rambles," has recently been published, in which the narrative appears. The writer tells the local with arthess success, and with equal dal. ory with arthess success, and with equal deli-

story with artiess success, and with equal delicacy suppresses the real name of the narrator. So shall we, though it is well known to us—at the same time we may be allowed so far to interest the same time we may be allowed so far to interest the same time we may be allowed so far to interest the same time we may be allowed so far to interest the same within twenty miles of the dusky city, and having some smaller ones to their appointed spot. No seems fan tail trowsers, appointed spot. No seems fan tail trowsers, and with each side of the same smaller ones to their "Having landed between us two brace of good frout, and returned some smaller ones to their appointed spot. No native stream, we were joined by Mr. Peebles, the proprietor of the water, where we had been fishing, and of a small landed estate in the state. It is and had obtained his permission of the river whenever I please informed of our arrival, and made informed of our arrival and made informed of

success we had had. He was whate men who, having suf-have nothing to do. He had seeking happiness in the management in the country, in the charter. He was a good nate there. He was a good not talking of hisself, and never he could get any one to liste.

His groat amusement, perhaps his only one, was shing; and he might be seen almost daily, nuntering along the hanks of the river with he rod in his hand, attended by a country lad. He sould hardly, however, be called a fisherman as he made more use of a worm than a fly in aking trout. He was in short any thing but a disciple of Izaak Walton. Mr. Peebles had one great disadvantage, that of extreme ugliness. His eyes were large and far between, and almost seemed as if they were placed in his temples; his nose was wide and very flat, and he had "a and we can enter into the

It is not a squeaker, "Fit take and we can enter into the squeaker."

It is not a squeaker. ion of his jaws, I know not, but so it was. His among the votation of Higure was short and dumpy, but trove it by a smart, waistcoal. prove it by a smart, waisteent, out of jacket. After some of port of the day, we invited company us to our ion, and, over a glass of grog, he gas account of what he called his. When you met me in Londomarked Mr. Peobles, I had smarked moke and bearing of a cordingly bought a small estourhood, having a sort of rapith stabling, out-houses, and plants.

ourhood, having a sort of run
ith stabling, out houses, and plant of the pleasure of angling, and
ard so much of the pleasure of angling, and
and so much of the pleasure of angling, and
and so much of the pleasure of angling, and
and that no one could enjoy the country
thoat it. There for a short time I lived in
rfeet peace and happiness. I turned myself
to a complete country gentleman. I made
yself master of the corn laws, were shorts and
iters, and browed my own beer. But also;
ase pleasures soon palled, and I was bored to
e last degree by the dull monotony of my rul existence, and I sighed for the activity and
atte of my fermer life. I turned over in my
ind a thousund modes of alleviating my unsiness of heart, but in vain; and I then began
lamont most bitterly, the rash and inconsiderp purchase of a remantic villa, the volumes on
corn laws, and the shorts and gaiters. To
own all, I began to feel discussed with my
rn home-browed beer. It is
metimes cheered by visite
ends and neighbours, but we
doubly felt my solitary and
t length, however, an idea
by the curate of the section.

ok favourably on my shorts ain smack with former reliations. The property of the state of the st me (for we had now be

home browed beer. " Peebla me (for we had now become opped the Mister.) " Wy do not it immediately—he idea rushed as my mind with all the force of natural brilling of sonception. My dear isend, said I. I'll act about it immediately—he had left me, I began seriously to react on his advice, and to take into consideration the pres and cons. The pres had it, such fortune, good temper. &c. But there was a very forcible con which gave me some uniness. I need hardly tell you, who have had many opportunities of observing my features I figure—that I am not bandsome. This contrains weighed seriously on my mind for not time, but on recollecting that marriages ad a wish to have in the eyes of the object that she would not scruple rms at the altar (for I believe we in this enlightened age oncy. And then I pictured tat I should make to win her tas had to please. Having a since the contraint of the press. But the contraint of the press. But the companion in adversity, and acquaintance.

On looking a condition of the press. I had be please. Having a since the contraint of the press. But on the eyes of the object that she would not scruple rms at the altar (for I believe we in this enlightened age oncy. And then I pictured tat I should make to win her tas he would not scruple rms at the altar (for I believe we in this enlightened age oncy. And then I pictured tat I should make to win her tas he would not scruple reports and the contraint of the press. But the contraint is an immediate deportor for bacy, I began to thick who do of carrying it into effect.

I have found in the form of "Horrible Outrage," an exception, the same was mentioned, and my presented, by some printer's an extended to write a long interpretation of "Horrible Outrage

is, that great matrimonial mer ith money may get anything, for sertice ances down to unsophisticate amount on the continuous of the continuous of the continuous in the continuous in the continuous of the continuous in the continuous of the continuous continuous in the continuous contin

"A gentlemany of independent fortune, good inting himself with a formule of strictly goorsi da that my fair one was and singlenous of heart, is desirous of iting himself with a formule of strictly goorsi da that my fair one was and duly misself with a formule of strictly goorsi de that my fair one was and during the operation I head the goot. As the advertimer is not handsome, or on good looking, he does not require absolute of good looking, he does not require absolute any the rossults cheeks of her sury hereafter become his wife.
