OFFICE

And it makes lighter, flakier Pie Crusts, Tarts, Doughnuts and Cooldies than you ever got with Western Spring Wheat Flours.

"Beaver" Flour is milled of blended wheat. It contains Ontario Fall Wheat (famous for pastry making) blended with Western Spring Wheat to add strength.

You save shortening—and you get a flour that is always the same in quality and strength—when you use "Beaver" Flour, the only kind of flour that is equally good for Beatly and Pastry.
