June Weddings

Smith-Boasey

A very pretty June wedding took
place at 4 o'clock, Wednesday, at the
Presbyterian Church, Thorold, when
Rev. W. H. Smith, pastor of the
church joined in the holy bonds

of matrimony, Lorraine Douglas,
daughter of Mr. and Mrs.
Archib J. Smith of Toronto, at present
employed at St. Catharines.

Precisely at the appointed time to
the strains of the wedding music
played by Miss Nellie McNeil the bride
entered the church escorted by her
father who gave her in marriage. She
wore a pretty dress of white satin with
overdress of Georgette crepe, tulle veil
with orange blossoms and carried a
flower bouquet of cream bridal roses.

Her maid Miss Gladys Bell of St.
Catharines, wore a pretty dress of pink
silk hat to match, and carried a show-
er bouquet of pink roses. Mr. W.
We'J man acted as groomsmen. Mr.
Daniel, during the signing of the reg-
ister sang "Because". As the bridal
party left the church the strains of
Mendelssohn's wedding march were
heard very sweetly.

The service over the bride party
drove to the home of the bride where
a sumptuous wedding supper was
served, the tables being prettily de-
corated in pink and white. Mr. and Mrs.
Smith left for points west where they
will spend a honeymoon after which
they will reside in St. Catharines.

Hot Water for

Sick Headaches

Tells why everyone should drink

hot water with phosphate

in it before breakfast.

Headache of any kind, is caused

by auto-intoxication—which means

self poisoning. Liver and bowel poi-

sons called toxins, sucked into the

blood, through the lymph ducts, ex-

cite the heart which pumps the blood

so fast that it congests in the small

er arteries and veins of the head

producing violent throbbing pain and

distress, called headache. You be-

come nervous, despondent, sick, fer-

erish, and miserable, your meals sour

and almost nauseate you. Then you

resort to anastilide, aspirin, or the

bromides which temporarily relieve

but do not rid the blood of these ir-

ritating toxins.

A glass of hot water with a tea-

spoonful of limestone phosphate in

it, drank before breakfast for awhile

will not only wash these poisons from

your system and cure you of head-

ache but will cleanse, purify and

freshen the entire alimentary canal.

Ask your pharmacist for a quar-

ter pound of limestone phosphate. It

is inexpensive, harmless as sugar,

and almost tasteless, except for a

sourish twinge which is not unplea-

sant.

If you aren't feeling your best, if

tongue is coated or you wake up

with bad taste, foul breath or have

colds, indigestion, biliousness, con-

stipation or sour, acid stomach, be-

gin the phosphate hot water cure

to rid your system of toxins and

poisons.

Results are quick and it is claim-

ed that those who continue to flush

out the stomach, liver and bowels

every morning never have any head-

ache or know a miserable moment.
