

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrup. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. CRIMINAL LAWYER WILL MAKE EVERY EFFORT TO JAIL ASSAILANT OF GIRL

CHICAGO, April 15.—"As long as I live and as long as the degenerate lives, I shall do everything in my power to keep him behind the bars where he cannot harm other children," said Stephen A. Malato, formerly connected with the state's attorney's office, and widely known criminal prosecutor.

His 10-year-old daughter had just testified before the grand jury regarding her treatment in a crowded motion picture theatre at the hands of Ardie Lyon, 31 years old, and a dapper clerk. He crowded into the vacant seat next to the girl and almost immediately her mother, sitting just back of her, observed the little girl flushing furiously and evidently very much distressed. She leaned over and saw what Lyon was doing, whereupon she seized him by the throat and

dragged him over the back of the seat.

Immediately the theatre was in an uproar. Lyon struggled with the infuriated mother and at the door he broke away and ran, but spectators pursued him and dragged him back several blocks by the heels. He begged that his identity be kept secret, as the notoriety would crush his mother and sister, but the frequent outrages by morons here has enraged the public and he will get all the law will permit. It is understood a true bill was voted against him today and as he doubtless will be speedily convicted, he will be sentenced to from 1 to 21 years. With Stephen Malato and other parents on his trail, it is safe to predict he will not be at liberty for many years.

MUSKOKA THIS YEAR

Prospects are gratifying this year for a successful summer season in Muskoka and those who were disappointed last season in securing accommodation should apply early and make their reservations at one of the many hotels available. Growth Shows Desire To Extend Army Work

Commissioner W. J. Richards, chief of the Salvation Army in Eastern Canada, has completed his fifth year in that capacity. During that time the Army has seen one of its greatest periods of usefulness. This period takes in the "war years." The great war had been under way since August and new problems presented themselves to the organization when he assumed command. These problems required a large measure of initiative to overcome. The task of rendering the highest and most efficient service was shouldered and Canada paid tribute to the success which attended those efforts by over subscribing the amount asked for during the Red Shield Drive.

Commissioner Richards is a forceful man. He is a man of few words. He believes in doing things. During the five years, more than 11,000 persons are recorded as having sought salvation. Notwithstanding the losses due to war, there are today nearly 2,000 more names on the Membership Roll than there were in this territory five years ago.

In July, 1916, Canada East was separated from Canada West, the dividing line being Port Arthur. Ever in view of this, there are now only forty one fewer officers in active service in the Eastern territory alone than there were in the combined territories five years ago.

In the Field Report two very striking indications of financial growth are given. In 1914, the Self-Denial total for the combined territories was \$43,726. In 1919, for Canada East alone, it was \$76,591. Harvest Festival returns have been doubled.

Shows Solid Growth.

In all the various departments the record. This shows that as often as humanly possible every opportunity has been seized for the advancement of every branch of the organization inasmuch as every act of service means the welfare of somebody, the same rate of growth has been reposition which the Salvation Army occupies today indicates tremendously increased service to the community.

This service has been rendered under the leadership of Commissioner W. J. Richards. His five years in Canada have been five big years for the Salvation Army in Canada, and give great promise for the future.

Port Colborne went on the daylight saving plan at midnight Saturday.

AFTER GRIP or FLU WINTER COLDS—BAD BLOOD

You are pale, thin, weak—with little vitality. Your liver is sluggish and the bad blood causes your stomach muscles to lose their elasticity and become flabby and weak—then indigestion.

Dr. Pierce's Golden Medical Discovery, made from wild roots and barks, and free from alcohol or narcotics, is the great and powerful blood purifier of to-day. Ingredients printed on wrapper. This tonic, in liquid or tablet form, is just what you need to give you vim, vigor and vitality.

Take the 'Discovery' as directed and it will search out impure and poisonous matter throughout the system and eliminate it through the natural channels.

You can procure a trial package of the tablets by sending 10c. to the Invalids' Hotel, Buffalo, N. Y., or branch Laboratory in Bridgeburg, Ontario.

SINCLAIR, SASK.—"I have taken Dr. Pierce's Golden Medical Discovery for liver trouble, and found it excellent, and would not be without it. I suffered from congestion of the liver about six years ago and I always say that this medicine cured me. I have also given it to my family for colds and it cured them in a very short time. We must have used about a dozen bottles of the 'Discovery'."

MRS. ENOCH MITCHELL.
KITCHENER, ONT.—"I had become all run-down, was weak and nervous. My blood was bad also. I took the Golden Medical Discovery and was completely restored to good health. I am always recommending this medicine to my friends, many of whom have had equally as good results."—Mrs. ERIK KETTLE, 64 Breithaupt Street.

DRURY GOVERNMENT HAS PLURALITY OF 49

Ontario's Farmer-Labor Government had its first showdown of power last night. When all the votes were recorded the Government had a majority of 49. During the afternoon and early evening the Conservatives put up a fight against the bill which reduces the qualification of candidates for municipal office. Half a dozen of them spoke against the bill, and a motion for a six months' adjournment was proposed by Charles McCrea, Sudbury.

No group in the house voted solidly except Labor. Even the Conservatives had their bolter, and John Joynt North Huron, a farmer, voted with the Government members. I. W. Oke former member for East Lambton, was the only one on the right of the Speaker to vote with the Conservative group. Five Liberals also voted for the hoist.

There was little excitement, as the Government was assured of a majority from the start of the discussion. Most Liberal members were favorable and said so. However, it was a unique affair. It was the first time that three Whips had walked together up the floor of the House. For the great majority of members it was the first vote they had ever registered in a House of Parliament.

CONVALESCING FROM INFLUENZA

The bracing atmosphere found in Algonquin Park is just what is needed for those convalescing from influenza or those who are in need of a rest and recuperation. The Highland Inn offers comfortable accommodation at reasonable rates. Apply any Grand Trunk Agent for descriptive booklet, or write Mr. N. T. Clarke, Manager, Highland Inn, Algonquin Park Station, Ont. A-3-516.

WONDERFUL REMEDY ESTABLISHES REGULARITY. CURES CONSTIPATION

As you value life itself, never use medicine that racks the system. Costiveness is bad enough, but violent cathartics are the limit.

When the bowels are constipated and you have stomach trouble and headache, try Dr. Hamilton's Pills; they are so mild you can scarcely feel their action, yet so effective that the entire secretory apparatus is stimulated to healthy action.

Dr. Hamilton's Pills move the bowels gently.

They tone the liver and kidneys. They renew the blood. Digestion is assisted. Headaches disappear. Stomach rumblings cease. Bilious turns are prevented.

Dr. Hamilton's Pills are more than a bowel medicine, for they act as a system cleaner and general tonic. For those who feel dull, heavy, and morose, to those who suffer frequently from colds, biliousness, and stomach disorders, there is no better medicine.

You risk nothing in using Dr. Hamilton's Pills because they are guaranteed to cure.

Made according to the formula of ever lived, Dr. Hamilton's Pills are bound to give your system just the aid it requires. Sold by all dealers. 25c. per box.

COMMISSIONER HIGGINS HERE TO CONFER ON SALVATION ARMY MATTERS

Com. W. J. Richards, head of the Salvation Army in Eastern Canada and Col. John McHillan, Chief Secretary are conferring with Commissioner Higgins, Chief of Staff and Second in Command of the Salvation Army for the work who arrived in

Boston from London, England, recently. Com. Higgins came to America to discuss matters pertaining to Salvation Army affairs in Canada and the United States, with Commander Eva Booth, head of the Salvation Army in the United States and with many years Chief Secretary of the United States and recently succeeded

Com. Howard as Chief of Staff and Second in Command. Many matters having an important bearing upon the future policy of the Salvation Army, and its reconstruction work are to be taken up at this meeting and it is expected that on his return Com. Richards will have something to say in regard to the questions affecting the policies to be followed in Canada.

The Telephone Situation

What We Get For the Money!

On January 1st this year our total investment in telephone property—buildings, equipment, tools and supplies, plus what it has cost in actual cash to put this working equipment into service—was \$51,458,306. On the same date we had in operation 337,476 telephone instruments.

This means an investment of \$152 for each telephone instrument in service.

What has been provided for this investment of \$152 per telephone?

Here are some of the things:
An exchange telephone system in thousands of cities, towns and villages in Ontario and Quebec with substantial fire-proof buildings the last word in sanitation and convenience; 36,750 miles of Long Distance wire on 9,500 miles of poles; 687,000 miles of wire in underground cables; many hundreds of miles of wire providing party service to rural communities besides exchange and pole line facilities to give exchange connection to 720 local telephone organizations serving over 103,000 subscribers, mostly farmers.

It takes some 11,800 telephone workers to operate the system and their wages in 1919 totaled \$9,400,000.

This goodly band of faithful workers, with those dependent on them, are a substantial element in the community. They are intimately concerned in its welfare—concerned most of all that the telephone service shall be adequate to its needs. They appreciate, just like the rest of humanity, the kindly co-operation of the public.
