The first marriage with Moslem rites ever known to have taken place in England has just been recorded. The bride is the daughter of the late Judge Fitch, of Liverpool, and the groom is a barrister, practising in London, who is a full-fledged Mohammedan. As a concession to the religious prejudices of the bride, who is a christian, the marriage service of the Established church was first performed.

urday at a football match in Belfast. The spectators became angered at an apparently unfair ruling of the referee, and broke up the game. About 2,000 men threw down the barriers and poured into the field. The members of a visiting club were singled out for attack, and a free fight with clubs and stones ensued. The 50 policemen present were unable to cope with the rioters, and the battle went on until the arrival of reinforcements. A dozen people were badly hurt before order was restored. Warrants have been ROYAL issued for the arrest of a dozen of the leading spirits in the riot.

A resident of Beauharnois, Que. was Thursday morning called to St. Jerome was too late for the man from Beauharnois a night of it" The next morning the man gram, stating that his relative had just died intestate, leaving about \$13,000 to be divided amongst fifty collateral relatives,

the funeral were likely genuine.

A peculiar and unusal scene was witnessed on Friday at the Home Office. The new factory bill restricts the hours of employment for women and children, and if passed will interfere greatly with the work of the city laundries. The laundresses have got very much excited on the subject, and a deputation of them visited the Home Office on Friday to protest against the bill. They nearly mobbed Home Secretary Matthews. The women were well dressed, and some of them very pretty, and the Home Secretary blushed and showed more nervousness than when he received a deputation of constables asking for more pay. The women protested that any further interference with hours of labor by the House of Commons would break up the laundries and throw them out of work altogether. The Home Secretary promised to do what he could in
