LOCAL & OTHER ITEMS

The Legislature prorogued at 1.30 today.

Pierre Vedrine covered the distance of 500 miles from Paris to Pau France in an aeroplane in 6 hours 55 minutes, winning a prize of \$4,000.

Three Ocean liners arrived at Halifax after a delay on the coast of about 36 hours, caused by a snowstorm. They had, between them 2737 passengers, nearly all bound for the West, and nearly all drawn from British Isles.

Twenty-two miners were entombed in Ott Mine, Virginia as a result of an explosion, and little chance is held out for the rescue of any alive, because of debris that has impeded the progress of the rescuers. It cannot be learned yet whether the explosion was caused by dust or gas.

There were 1,177 persons killed and 9,967 injured on the Railways of Pennsylvania and 187 killed and 4,116 hurt on the electric lines during the year 1910. Trespassers constituted the largest number killed on the railroads, 587 losing their lives, while 90 per cent of those injured were employees.

Paris retains its position as the third largest city in the world. The census taken last month proves the population of the city to be 2,846,086. The present census shows an increase of 124,255 over the figures for 1906. The French census has shown a drift of population from the country to the city.

A serious outbreak of small-pox is reported at Fox Creek and along the Painsic Road, N. B. There are some 40 cases in that section and 2 schools have been closed. There have been two or three cases in the district during the past two months but the contagion has now spread, necessitating drastic measures to stamp it out.

Clarence De Mar of the North Dorchester A. A. was the winner of the 15th annual Marathon race from Ashland to Boston on Wednesday last smashing Longboat's record made in 1907 and establishing a new world's record of 2 hours, 21 minutes and 29 3-5 sec. for the event. Our Island Indian, Michael Thomas was 25th in the line of those who finished.

Ortie McMonigal under arrest in Chicago for complicity in Los Angeles Times dynamiting outrage, has made a full confession. He describes numerous similar crimes in which he and several others were hired by a so-called Dynamiting Group of Labor Unionists to carry on their work. These, he affirms, involved the murder of more than one hundred persons through explosions.

According to the latest estimates thirty-two persons were killed in the wreck of a passenger train on Kowie Railway at Grahantown, Cape Colony when the special plunged to destruction into a gorge 250 feet deep, through the collapse of the Blaauwkrantz Bridge. In addition many were injured, some fatally. It was the most appalling wreck in the history of South African Railways.

President Tait's Canadian Reciprocity agreement, supported by all but a handful of Democrats and opposed by a majority of Republicans passed the House of Representatives Washington Friday night by a vote of 265 to 89. With nearly 200 Democrats in control, and their action endorsed by a large body of Republicans, the bill to put the agreement in force was adopted with no amendments and in almost identicality the same form as it passed the House in the last session of the preceding Congress.

WE SELL THEM.

MR. MAN---We Can Save You Money on Your CLOTHES.

Some men think that when they spend their money for a Ready-made suit, that they are buying their clothes at the smallest possible cost. They think only of the first cost. They do not consider that if they would spend a few dollars extra and have a suit made for them by a good tailor, that it would wear at least double as long, and from this standpoint alone, they would be saving. And then again, in a tailor made suit along with getting at least double the wear, you get style and good looks that stay, you get comfort and satisfaction that can only be had in a made-to-order suit. Are not these features worth from three to five dollars extra?

Buy Your Next Suit Here.

When you want your Spring Suit come here, look over the hundreds of different cloths we have, pick one that pleases you and let us build you a suit. We will put the finest of work on it, and use the very best of everything in it's make-up; we will make it to fit you perfectly, and in the newest style, and when finished you will be so pleased with it that you will never wear a ready-made again.
