Dr. Williams, Clinton, was summoned to Toronto two weeks ago by the illness of his father, who, however, is all right again.

Messrs Crossley and Hunter are doing a good work at Exeter, nearly 100 people having confessed conversion during last week.

Capt. Dean, of the Salvation Army, Brussels, has gone to her home for a rest. Her place is supplied by a young lady from Palmerston.

Mr. James Lennan left Seaforth on Wednesday last week, for Toronto, where, we understand, he enters one of the leading law firms to further fit himself for the profession.

Mr. Wm. J. Cameron, eldest son of Mr. John Cameron, St. Helens, had a very narrow escape from being seriously injured by a view-saw cut; we are glad to see that he is able to be out in the burg again.

Miss Barbara Scott, Grey, died on Wednesday last week, rather unexpectedly, although she had been ailing for some time. She was a most estimable young lady. The funeral took place last Friday afternoon.

The friends of Rev. Mr. Brown, Worcester, who learned with regret of his recent illness while visiting relatives at Brampton, will be pleased to hear that he has almost entirely recovered and is now at home.

Margaret, the 13 year old daughter of Jas. Smart, of Silver Corners, Grey, has been missing for about two weeks. She was sent with provisions for her father and brother, who were working at the Star saw-mill, but did not return home, nor can any trace of her be found by her distracted parents.

Miss Anna Bella Graham, daughter of Rev. Mr. Graham, Seaforth, has passed a very successful examination at the Toronto Conservatory of Music, at which she has been a student for the past year. She is a natural musician, and will, no doubt, graduate with honors when she completes her course.

Mr. Dan Moran, Seaforth, has returned from his trip to Altona. He went there to stay for life, but found that the aid did not agree with him and work was too scarce. He footed it from Owen Sound to Seaforth, and says he never missed a meal from the time he started until his return.

Wednesday last week, Henry McCutcheon, 6th con. of Morris, came over to the 16th of Grey and captured Miss Sprain. As all parties were agreeable and a preacher sealed the contract nothing will be done about it. Some of the Grey boys will get even with these Morris lads by reversing the order.

Mr. John Atkinson, who left Exeter a few weeks ago for Chicago, has returned home under unfortunate circumstances. He has had his two fore fingers and thumb severed by a circular saw while at work in the cabinet factory. His hand is now healing nicely.

Mr. Wm. Henderson, who has been a resident of the township of McKillop for forty seven years, says that in that time there have only two been May in which there has not been snow. This should afford hope to those who are groaning over the present cold weather.

The Seaforth band have engaged Mr. J. Jones, late of Brussels, as leader and instructor. Mr. Jones is a thorough musician and an excellent cornet player, and under his guidance the band will, no doubt, continue in its present efficient condition. Mr. Jones is a jeweler by trade and we believe intends starting in business.

A somewhat amusing incident occurred on the occasion of laying, the cornerstone of the Methodist church, Blyth. A gentleman from Londonboro, prominent in church work, at the time when the audience was being photographed, stood upon a seat, above the level of the others, and remained in that position after the rest had taken their seats, until a friend pulled his coat and gave him a hint to sit down.

A change in the Brussels post office is rumored. Mr. Grant resigning and Thomas Farrow getting the position. Mr. Farrow will make a good post master, better than any of the aspirants of the town, though some of them are very much annoyed about not being considered in the arrangement. It is said Mr. Grant has got the appointment of inspector of a Loan Company for Manitoba, which we trust is correct, if he has decided to resign the office here.

Mr. Caesar Perdue, of the 16th con., Goderich township, suffered a sad affliction, on Sunday week, by the death of his wife, arising from confinement. She was a daughter of Mr. Pennebaker, of the same line, was just in the prime of life, and enjoyed the friendship of all who knew her. Her death is a particularly keen one to Mr. Perdue, who is left with a family of seven small children.

On the 16th of May, at the manse in Saginaw City, Michigan, Rev. Mr. Bruske performed the marriage ceremony between Robert Sweeney, of Merrill, Michigan, and Miss Jessie, eldest daughter of the late Thomas Robertson, of Grey township. Although it was rather a surprise party to a great many in Grey, as the bride was only thought to be going on a visit to Michigan for a few weeks, the general wish is that success and prosperity may attend them all their days. Their home will be in Merrill.

Who'll be appointed Postmaster in Brussels is now the pertinent interrogation? The Post thinks Thos. Farrow, ex-M.P., has the best claim, according to the usual disposal of Government patronage, and he would be a very acceptable man for the position.

On the 28th ult., D. McDonald, Brussels, left for Schreiber, Ont., where he will take charge of a butcher shop for Wm. Streeton. The latter is an engineer on the C. P. R., but as his headquarters have been Schreiber he will be able to have the oversight of the business ably assisted by Dan.

On Thursday, the 16th ult., T. Newcome, of Brussels, had the misfortune to have his left arm broken while assisting in raising a barn on the farm of Duncan McCausig, Morris. A large pole fell on him inflicting the injury as he was at work and the wonder is he was not more seriously hurt.

Mr. Angus McQuair, of Lucknow, who has been for twenty years in timber shipping from this northern section, has this year shipped over \$200,000 worth of timber—sent to Quebec and British markets. He has spent twenty seven years at this work in Canada and was for 21 years with Messrs McArthur Bros., of Toronto.

On Tuesday last week, Mrs. John Dark, Grey, passed over to the great majority at the early age of 24 years, 2 months and 28 days. The deceased was a daughter of J. HOUSE AND GROUNDS FOR SALE.
 That valuable property on Nelson street, Goderich, at present occupied by me, is offered for sale at a bargain. The house is a handsome two-story brick edifice, and contains twelve rooms, with closets, pantries, etc., and best conveniences. The grounds comprise one acre and a half, and are tastefully laid out in flower beds, shrubbery, etc., and are beyond all doubt the handsomest in town. There is a large and complete conservatory, and good stable accommodation in connection. This property will be sold out, and out or will be exchanged for a smaller house and equivalent, or for farm property.
 Also that block of buildings on the Square and Hamilton-st., in the best business location in Goderich, is offered for sale, at terms to suit purchasers.
 Also three farms in Goderich township, of which immediate possession can be given.
 The entire property will be disposed of, as the proprietor intends to take up his permanent residence in Toronto, owing to its greater business facilities in his line. His trade in Huron will not suffer by the change of centre, as the business will be carefully attended to in this country.

It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease.
