THE OPPOSITION'S **IMMIGRATION PO**

------Mr. Cockshutt's Endeavor to S Immigration Agency for Im Mechanics and Artisans-L the Manufacturers' Friend!

Beplying to Mr. W. H. Co on January 15th, the Minister Interior discussed the imm policy of the Opposition as by the member for Brantfor said (from Hansard)

Hon, Frank Oliver (Minister Interior) : I am sure the House much indebted to my hon. from Brantford (Mr. Cockshu having placed before the Hou the country the views of the tion in regard to immigra think that on that point it i that there should be a clear ment; and as it appeares friend has been delegated that statement on behalf friends of the opposition. we well deal with it and we willing to have the country between his policy and ours hon. friend occupied some li at the beginning of his dis discussing a letter which he l ten some years ago and which read to the House, when I mad remarks a few days ago. me at the time that it was rat fortunate for us on this side House that my hon, friend y here on Monday, because had here I am sure, judging by th of his remarks today, that he have voted with the governm that question. The questio to access by members of the h original documents. The govern took the position that being in o of original documents referring titles and securities of privat dividuals, it was necessary to tain that custody, and the ment could not place them at t posal of the House. But my iriend was not here, and he now the position very strongly, not that original documents should placed before the house, but even copies of documents should be placed before the House. He further, and takes the ground t document which was in all pa lars a public document should : disclosed to the House by read copy of it. I am sure my hon. f would have voted with the go ment on Monday had he been h Mr. Cockshutt-The hon. gentle is misquoting me. I made no jection to showing the letter "t House. If the hon. gentleman I am prepared to show it yet. the hon, gentleman did not war and that it the reason it was gentleman and myself are a purposes on this point, others. He is alluding this point, which he read to the house, I luding to a letter which I-re house and to the reading of whi objected as being the disclosur private letter. It was not the closure of a private placing before the house of the contents of an essentiall lic letter which the house was er to know. The house was entit know that my hon. friend was in cord with the policy of the ment to a great extent two years just as I pointed out that he was accord with the policy of the go ment to-day by the res he has placed on the order paper seems to me that he is carrying opposition too far when he ob vidence of his own constituer ing placed before the house. regard to this letter, I do not l that it is wise to take up much But I in discussing it again. it is only fair that it should be d strated that the document was lutely public, that it was prop place it before the house, and when my hon, friend says that wrote and addressed that docu to me cofindentially and perhe was to some extent aside fro In order to refresh mories of the members of the in regard to the contents of this Mr. Haggart-Is it marked priv and confidential? Mr. Oliver—Absolutely not. that they may know how far my friend has travelled. Mr. Taylor-Is that the origina Mr. Oliver-This is a copy, such a document as we are al prepared to place before the Hou If the hon, gentleman should say t is not a correct copy, let him in the original. I wish to rea locument to the house for the pose of showing that my hon. frie not warranted in the staten he has made in connection with The letter was written on Hous Commons paper, and was dated Ottawa. May 9, 1905. It was addined to the Hon. Wm. Oliver, M.I. tawa. Now my hon. friend may o that this document "is not in possession by right, iBasmuch as is addressed to the Hon, Wm, Oliv but inasmuch as it is further dressed to the Minister terior at that time, I think the Ho will admit that I am warranted saving it was addressed to me capacity as Minister of the Interio Mr. Cockshutt—That is not the ter I referred to as being wrong retained by the Minister of the terior. The letter I said was wro fully retained by him was the from the information bureau dressed to myself.
