Following the reading of the various reports for the past year, the ladies presented the Rev. President of the College, Bro. Ryan, with a cheque for \$1,000. This splendid contribution was realized from membership fees, sales of teas, proceeds of entertainments, etc., besides including a donation from a friend who asks his name to be Anonymous. The Association also extended condolence to the families and friends of those Old Boys of the College who have passed to the Great Beyond the last twelve months. Mention was made of the late Hon. BELOW THE STANDARD.
How do you feel to-day?
Not quite right? Energy a little below standard—not strong enough to make much exertion? Perhaps a slight cough?
Nyl's Cod Liver Compound is what you need.
Don't get frightened about those words "Cod Liver." You'd never know it from the taste.
It's a real tonic containing cod liver extract, extract of malt, wild cherry and hypophosphites—a splendid combination.
The cod liver extract builds you up—so does the extract of malt. The wild cherry soothes the bronchial tract and the hypophosphites supply phosphorus to the nervous system—just the thing it needs.
And the taste is pleasant.
As an all round tonic, strength restorer and body-builder, you'll find nothing better than Nyl's Cod Liver Compound—so why look further? You will be pleased.
The price is one dollar.

An Excellent Debate.

The L. and A. Committee of the B. I. S. held a debate in their club rooms last evening, and which was one of the most successful events ever yet recorded by them.
The question up for discussion was: "Should personal canvass of the Electorate on the part of Candidates for Parliamentary or Civic honors be forbidden by Law?" The speakers on the affirmative side were Messrs. R. McGrath (Leader), P. K. Devine and T. P. Hailey, and on the negative: Mr. J. H. Dee (Leader), ably supported by Messrs. P. F. Moore, M. H. A. and J. P. Scott. After the various points had been reasoned out in a really academic style, the Chairman, Mr. J. C. Pippy, asked the views of other speakers, and Messrs. P. J. Shea, Commissioner Mullaly, Geo. F. Power and R. J. Devereaux, M. H. A., spoke. When the debate was announced it was found that the affirmative had won by a majority of two votes.
Before the close of the debate Chairman Pippy announced that Mr. R. J. Devereaux, M. H. A., would deliver a lecture on next Thursday night, taking as his subject: "Our Fish Markets: Can They be Improved and Extended?"

The College Girl.

A BIG SUCCESS.
The theatre loving public of St. John's is well acquainted with that well known production of Justin Adams, "The College Girl," and last night's presentation of it by the Clark-Urban Company was much applauded. This play was staged here by this talented troupe four years ago and that they maintained the reputation they won then was evidenced by the unstinted applause and appreciation of the large audience present last evening. Each and every performer won new laurels and every detail in the play was brought out.
A Professor in Chemistry gives a reception in honour of his daughter's birthday. The students of the college are present. That night one of the students, with whom the Professor's daughter is in love and who is in financial difficulties to the extent of \$500, having got a loan of that amount from a brother boarder who is continually jading him for it breaks in the Professor's house. He opens the safe and tapers with the money which belonged to the college and of which the Professor is the custodian. He is caught red-handed by the daughter and a friend of hers, Billy the football coach. The burglar is not dealt harshly with by the daughter, who, on hearing his story, gives him the \$500 she received as a birthday gift from her father. The remainder of the play abounds in love and comedy and is better witnessed than told.
The play was well staged and the acting exceptionally good. Frank Urban, as Professor Hadfield, and his daughters, Lillian Dean (Muriel) and Maisie Cecil (Gail) gave clever portrayals. Harden Clark was probably seen at his best as the football coach. Billy Webb, as Jed Whitaker, the Professor's friend, along with his daughter, Futey (Aurilia Clarke) brought down the house. Thomas Brower, as Bruce Hodson, and the cause of all the trouble, was up to his usual standard. Matt Anderson, A. E. Tenney, Albert Patterson, LeRoy Kenneth and Chas. E. Mills did their parts faithfully and well. The specialties between the acts were enthusiastically applauded and each item evoked an encore. "The College Girl" will be repeated to-night and no one should miss it.

STEER BROTHERS.

Patriotic Words From Rev. Dr. Jones.

The Rev. Dr. Jones addressed the members of Royal Oak Lodge, L.O.A., at Victoria Hall last evening, his subject being "Ruts." Britain, though often in trouble in the past as she is to-day, has ever won out. The Empire has always overcome difficulties, and as her brave soldiers and sailors have never failed her in the hour of need, triumph comes to the Old Land. At the close of the lecture a hearty vote of thanks proposed by Bro. N. Andrews and seconded by Bros. Cave, S.A., and H. E. Cowan, was accorded the rev. lecturer.

Amusements.

BRILLIANT PICTURES AT THE NICKEL.
The mid-week programme at the Nickel Theatre is always largely attended but yesterday the crowds were greater than ever. One of the reasons was that the tenth episode of "The Exploits of Elaine" was one of the most thrilling of this highly sensational picture. As "The Goddess is beautiful," "The Exploits of Elaine" is a thrilling thousands of citizens. Those who were unable to see the episode yesterday should be sure and go to-day. The Vitaphone feature film: "In the Days of Famine" was also most attractive and afforded pleasure to all. The other pictures were immense. To-day the programme will be repeated. There is coming to the Nickel a great Charlie Chaplin comedy in two reels entitled: "Work."

GOOD SONG AT THE CRESCENT.
"My Sweet Adair" is the ballad that Mr. Dave Parks, the man with the voice, sings at the Crescent Picture Palace to-day. The picture program is headed with a great Lubin masterpiece in three reels: "In the Dark," with an exceptionally strong cast including Ethel Clayton, Joseph Kaufman and Rosetta Brice. "His Regeneration" is a fine western drama by the Essanay Company, featuring G. M. Anderson. A classy Vitaphone comedy is "The Professor's Painless Cure" with Mr. and Mrs. Sidney Drew. This big mid-week show costs no more, take it in.
