**Have You Given Your
Stenographer a
LINE-A-TIME ?**

WE have sold a number of them in the last month or two, and the testimonials we have received show the greatest enthusiasm over this "Little Machine" that saves so much for the employer and the stenographer.

Were it not for the LINE-A-TIME hundreds of thousands of typists would have no prospect of relief from the nerve racking and health breaking practice of twisting their necks and shoulders, and straining their eyes a thousand times a day, over note books and record sheets.

Hundreds of thousands of employers would have to go on wrestling with the problem of how to increase the output of their typewriters without requiring more "work" from the operators.

The LINE-A-TIME has become widely popular with employers and office managers, not only as a money making, labor saving invention, but as a humane device that increases output by removing a condition detrimental to the welfare of the operator.

THE PRICE IS \$8.50.

We will gladly put in a LINE-A-TIME for a week or a month so that your stenographer can give it a trial. If at any time she does not like it, or you think it does not do all we claim for it, we will take it back and there will be no charge for the time you have had it.
