Monroe Candidates Have Triumphal March

LOGY BAY AND OUTER COVE SOLID IN LINE.

Last night the whole population of Logy Bay turned out to greet the Monroe Standard bearers, Higgins, Vincombe and Fox. At the monster meeting held, the veteran campaigner, Mr. William O'Donnell, presided. The addresses of the candidates were the most thorough of the campaign so far. Enthusiasm reigned supreme, and the speakers had to depart for the continuance of their campaign at Outer Cove.

Not to be outdone by the reception given at Logy Bay, Outer Cove had its bonfires, flaming torches, bunting and lighted windows. The meeting was held in the school house which was packed to the doors. Under the chairmanship of Mr. James Walsh, with the magnificent addresses of the Fighting Trio, the meeting was undoubtedly the most successful ever held in this prosperous little settlement. Messrs. Higgins, Vincombe, and Fox arriving and speaking in the order named, were greeted with thunderous cheering.

The Monroe candidates are having a triumphal march through the district and it is now becoming a matter of calculation only as to record breaking votes they are going to poll on June 2nd.

MONROE CANDIDATES AT KILBRIDE.

The West End candidates, Crosbie, Linegar and Browne, are continuing a very successful canvass of their district. Last night they held a meeting at Kilbride and received a splendid welcome. At the time appointed a very large gathering was present, and Mr. Sam Walsh was unanimously appointed Chairman. In a brief speech Mr. Walsh introduced the candidates and the first speaker called was Mr. Linegar, who made a fine address and received an ovation from those present.

Mr. Browne was the next speaker and was cordially received. This speaker gave a brilliant address, dealing with pit prop scandals and the manner in which they compromised both Hickman and Cooker. He dwelt also on the Hickman Manifesto and showed up in their true light the West India Service, Humber Deal and other deals, and the promise for a bonus on fish. Mr. Browne concluded his address with an able appeal to the electors to consider well the conditions, and after doing this he felt they would decide that the clean government policy is the best, and would mark their ballots accordingly.

Sir John Crosbie was the next speaker and he too made a fine address covering a number of matters of vital interest to the electorate. He referred to the damage done this country's reputation abroad as a result of the mismanagement of the past few years. He also made reference to the Model Farm and showed what a useless expenditure had been incurred on this venture. On June 2nd the people are voting for the freedom of this country and there is only one way to vote in St. John's West, and that is the straight ticket for Crosbie, Linegar, and Browne.

The meeting closed with ringing cheers for Monroe and clean government and the West End Trio and as the candidates departed they were accorded another ovation.

Celebrates Twenty Yrs. in Nursing Profession

MRS. J. A. HISCOCK WELL KNOWN SOCIAL WELFARE WORKER.

To-morrow, Empire Day, Mrs. J. A. Hiscock, social welfare worker of this city, will celebrate her 20th year in the nursing profession. Entering the General Hospital on May 24th, 1904, she graduated in 1907 with the first class of nurses to be trained in Newfoundland. After graduating she proceeded to the U.S.A. where she took an advance course which at that time could not be obtained in Newfoundland. During her stay in the U.S. she nursed many distinguished Americans.

On her return to Newfoundland she formed the Nfld. Graduate Nurses Association, and her work in connection with this Association is well known; as is also her lectures on Maternity Nursing. Mrs. Hiscock was foremost in launching the Outport Nursing scheme. Recently a very excellent paper on National Health and its Economic Sequence was delivered at the Newfoundland Old Colony Club.

Mrs. Hiscock is a member of the Newfoundland Midwives' Board, President of the Health and Maternity Movement for Child Welfare. For the past ten years she has been the Sec- Tress of the Nfld. Graduate Nurses and is now the Chairman of the Executive and a member of the General Committee of the Women's Franchise League and the Old Colony Club.

AUXILIARY VESSEL ARRIVES.—The auxiliary boat *Palmyra*, recently launched at Placentia for the Monroe Export Company, arrived in port yesterday. She will be fitted out here to carry on a trading service between this port and settlements on the South Coast.

The Best Remedy for Rheumatism

That is What Mr. B. Morneau Says of Dodd's Kidney Pills

Quebec man is very satisfied with the results received from taking Dodd's Kidney Pills.

St. Perpetue, Que., May 23 (Special). Just why Dodd's Kidney Pills are so popular in Quebec Province is shown by the statement of Mr. B. Morneau, a well-known cultivator living near here.

"It gives me great pleasure to tell you that your Dodd's Kidney Pills have done me a lot of good and I am very satisfied with them. I had suffered for three years with rheumatism. I always felt tired and had bitter tastes in my mouth in the morning."

That Mr. Morneau's trouble came from his kidneys is evidenced by the relief he got from Dodd's Kidney Pills. They are purely and simply a kidney remedy. They heal and strengthen the kidneys and put them in shape to strain all the impurities from the blood. With no uric acid in the blood there can be no rheumatism. Sound kidneys mean pure blood. Pure blood means good health.

City's Clean-Up Day

During the clean up day organized by the City Council 500 loads of rubbish above the daily collecting was removed. Yesterday the Council's teams were engaged making further removals, and a good day's work was accomplished in cleaning up the accumulation of the past winter. The Public Health Department will now begin an inspection of all backyards. It is suggested that citizens who have not done so in the past assist in making the city wholesome by applying a coat of lime to their fences. It can be purchased in small quantities at the several hardware stores.

It is hard to find a more tempting, appetizing dish than fresh codfish fried in Crisco.—adv
