

The Coloquio Case.

A great effort is to be made to induce the Upper House of Convocation in London to take into consideration the Natal question at its forthcoming meeting—a course from which it has shrunk in former sittings, notwithstanding the remonstrances of the Lower House. Upwards of twenty thousand signatures have been appended to a "declaration," which is to be presented to the Archbishop and Bishops of the province of Canterbury assembled, and upward of thirteen thousand to a "memorial." The numbers are likely to receive considerable increase. The following is the "declaration":

"We, the undersigned clergy and lay communicants of the Church of England, having in mind that Dr. Coloquio has denied that large portions of the Holy Scriptures are the Word of God, has changed our blessed Lord Jesus Christ, with error, and has denied that he is the proper object of Christian worship, hereby solemnly declare that we renounce all Christian communion with Dr. Coloquio, until such time as he repents of these his errors."

The following is the "memorial":

"We, the undersigned clergy and lay communicants of the Church of England, feel deeply aggrieved that there should be any further delay on the part of the Church of England in accepting the spiritual validity of the sentence of deposition and excommunication pronounced upon Dr. Coloquio by the Right Rev. Metropolitan of South Africa. We believe that such delay is fraught with much serious evil, and tends to encourage the spread of scepticism and infidelity. We, moreover, believe that a continued postponement, on the part of your right reverend house, to accept the said sentence of deposition and excommunication, will compromise the orthodoxy of the Church of England, and will consequently be dangerous to its unity and peace. We therefore pray your right reverend house to accept formally and synodically the sentence of deposition and excommunication pronounced upon the said Dr. Coloquio, and to declare that he is not in communion with the Church of England."

India & China Tea Co.

Home Depot at London and Liverpool.
Canadian Depot, 23 Hospital Street, Montreal.

THE India and China Tea Company beg to call the attention of the Canadian community to their directly imported Teas, which for purity and excellence will be found unequalled.

The Company have made arrangements whereby they have secured the entire produce of some of the best plantations in Assam and on the slopes of the Himalayas, and by a judicious blending of these magnificent Teas with the best varieties of China produce, they are enabled to offer to the public Teas of quality and flavour hitherto unknown to the general consumer. These Teas are in a large favour in England and France, and a single trial will prove their superiority.

The Company supply two qualities only, either Black, Green or Mixed. Their Black Teas will be found to possess great brilliancy and flavour, combined with colour and strength, and to be entirely different to the flat and vapoury articles usually sold as Black Tea; while their Green Teas are altogether free from the deleterious mineral powders so commonly used for coloring the leaf.

PRICES: Rich, full-flavored Tea, for family use a real genuine and fine article 70 cents per lb. Finest quality procurable, one dollar per lb.

The above can be had either Black, Green or Mixed.
To be had in packets of Quarter Pound, Half Pound, One Pound, and upwards, or in tin canisters of 5 lbs. and upwards, from the Company's Agents in all the chief towns of Canada.—N. B. All the packages are lined with tin foil paper, and the Tea will consequently retain its flavour any length of time.
