FRUIT GROWERS' ASSOCIATION OF ONTARIO.—The autumn meeting will be held in the board room, agricultural hall, corner of Young and Queen streets, Toronto, on Wednesday, the 9th day of October, 1872, at 12 o'clock, noon. Discussions on the cultivation of grapes under glass, and of fruit trees in orchard houses, and upon the varieties of grapes most likely to succeed in the open air, in the latitude of Toronto and northward. Carlyle is still amiable in his views on the subject of talk. He says that "Parliamentary eloquence is only a detestable and damnable babblement of imposture and lies."

Bismarck lately celebrated his silver wedding. One of the gifts that were sent to him was a sculptured barrel of Dortmund beer—from the Crown Brewery at Dortmund.

This is a personal item in the most approved style of the Western papers:— "Jacob Bumgander blew into the muzzle of his gun to see if it was loaded. It was. Funeral on Sunday."
