Asthmatic Bronchitis of nine years' Standing Cured by the Syrup.
ST. JOHN N. B. 11th August, 1869.
Mr. James I. Howells—Dear Sir: I consider it my duty to inform you of the great benefit I have received from the use of your Compound Syrup of Hypophosphites. I have been for the last nine years a great sufferer from Bronchitis and Asthma, at times so ill that for weeks I could neither lie down or take any nourishment of consequence, and during the time suffering intensely. Finding no relief from all the medicine I had taken, I concluded to try your Compound Syrup of Hypophosphites, and have great reason to thank God for the result. I have in all taken twelve bottles and now I feel as strong and well as ever I did in my life. Were I to write upon the subject for hours, I could not say enough in praise of your valuable Compound Syrup of Hypophosphites, or give any adequate idea of my sufferings. I remain yours respectfully, Mrs. HIRWELL, Exmouth St.

PERUVIAN SYRUP.—This valuable medicine has been silently making its way into public favor by the numerous remarkable cures it has performed. Its singular efficacy is owing to the protoxide of iron which in this preparation remains unchanged, and is the only form in which this vital element of healthy blood can be supplied.

THE STOMACH AND ITS DERANGEMENTS are the common cause of most of the Chronic Wasting Diseases for which invalids are constantly seeking specifics. When the food is imperfectly digested and assimilated, the blood becomes impoverished, and all the organs and tissues of the body debilitated by want of nourishment. The general depravity of the system manifests itself in some constitutions by disease of the Lungs, Heart, Liver, or Kidneys, and in others by scrofulous enlargements of the glands, eruptions of the skin, ulcers of bone and flesh, spinal weakness, irregular action, nervous discharges, nervous prostration, general debility, neuralgia and rheumatism, and other ailments of a chronic nature. Healthy blood, which is derived from the stomach, is the basis of all vitality. It is the life-giving element of the system, and its purity and abundance are the surest means of preserving health and prolonging life. For every information apply to GEO. A. OXNARD, Agent G. T. R. Iron in the Blood PERUVIAN SYRUP MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the Blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon. This is the secret of its wonderful success in this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Bolls, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution. Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial. See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.
