HENRI BOURASSA, HEAD OF NATIONALISTS, AIRS VIEWS ON CONTRIBUTION

Asks if Borden Has Faith in Naval Bill He Should Not Permit Some Fifty Old Gentlemen to Destroy It, But Should Appeal to Seven Million or More People of Canada

EDMONTON, June 10.—Henri Bourassa, the Montreal Nationalist, today said that apart from the question of breaking an election, he did not consider that such a course was best. He added that he had always favored a plebiscite; as in the case of the Naval bill, there were three distinct views, some favoring the Laurier policy of a Canadian navy, some supporting the Borden scheme of contributing to the Imperial navy, while others were opposed to both schemes. In these circumstances Mr. Bourassa thought a plebiscite offered the only satisfactory method of arriving at a solution. "If Mr. Borden really has faith in his naval bill," said Mr. Bourassa, "why does he allow it to be destroyed by some fifty old gentlemen in the senate instead of appealing to the seven million or more people of Canada?"

VANCOUVER PROVOKES MAWSON WRATH BY CHANGING PLANS

Tells Westerners His Scheme Was Good One and Europe Will Stop Sending Money for Interprises Here When He Has Been Treated So

What Will Europe Think of It, Asks the Landscape Architect; Says They Will Be Ridiculed of Posterity as Men Who Disfigured Vancouver

WAR has been declared between Thomas Mawson, landscape expert, who is under commission from Calgary to submit a comprehensive plan for the Greater Calgary of the future, and City Engineer Fellows, of Vancouver. Mr. Mawson also had a commission from the park board of Vancouver to improve Stanley Park and the harbor, and on the Friday evening, announcing Mr. Mawson's address by a few hours, an alderman, in an interview, gave out the statement that the city engineer of Vancouver had a plan for the improvement of Stanley Park which "skinned Mr. Mawson's plan by a mile". This naturally aroused the choler of the landscape expert, and in his address before the Progress Club, he expressed himself in caustic periods as the keynote of his address being "What Would Europe Think of Vancouver?"

Mr. Mawson in his address, must take up this matter of town planning unless they wanted to be "stung" very badly. What would city planning do for Vancouver, he asked? It was up to them to see that the future growth of the city which would come with the opening of the Panama canal must be in the hands of the city planning expert, and not in the hands of the city engineer. He said that the city planning expert should be standing against light and knowledge, if they made a city practical and efficient it could not help being beautiful.

SOME STRIKING FIGURES AT THE PRESBYTERIAN GENERAL ASSEMBLY IN TORONTO. —Toronto Star Cartoon.

HOME RULE FOR IRELAND PASSED SECOND READING WITHOUT DIVISION; SIR EDWARD CARSON SAYS HE WILL TAKE FULL RESPONSIBILITY FOR RESISTANCE

LONDON, June 10.—The House of Commons tonight passed the Home Rule bill, without division, an amendment moved by Mr. Balfour for the rejection of the bill having previously been defeated 368 to 270. The announcement of the figures was received with an outburst of cheering by the Liberals and Nationalists.

The debate was marked by fiery denunciations by the opposition speakers, who predicted that the imposition of home rule would result in civil war in Ireland. Sir Edward Carson, the Irish Unionist leader, said:

"For my part, I will continue to support the Ulstermen, and will take full responsibility for their resistance. You may seize their arms or send troops, but you will not settle the Irish question. You know that you are crowing about peace when there is no peace, and you will fail in your object."

Lord Charles Bessford declared: "If the government sends troops to Ireland, I shall offer my services, poor as they may be, and help my fellow-countrymen."

The opposition leaders assert that, even if the country was appealed to and a general election favored home rule, Ulster would not submit.

CADET CAMP WILL OPEN ON JUNE 30

Arrangements have now been completed for holding the cadet camp, and it will be open from June 30 till July 5, thus following just a week after the militia camp. Mr. and Mrs. Alex. Martin left this morning for Vancouver, and other coast cities. They will be gone for about two weeks.

PRESBYTERIANS FAVOR UNION ON FIRST VOTE; ASSEMBLY VOTES TODAY

Minority Report Opposing Union of Denominations is Defeated By a Vote of 25 to 75; Amendment Making Majority Report Stronger Carries

Toronto, June 10.—In a despatch from Edmonton in 1912, the Western Associated Press correspondent stated that the Presbyterian church had forever committed itself to the cause of church union and would go back on the solemn service of that occasion. At the close of a protracted meeting today the same spirit developed and it was made evident that any motion which the friends of union thought it wise to submit, could be carried by an overwhelming majority. There is not the slightest reason to think that the struggle against union, which has been maintained in the church for some years can succeed, and it is believed that the motion of the Rev. Dr. Gordon of Winnipeg, introduces his motion tomorrow, it will state definitely when the union is to be consummated, and that it will be carried by a large majority.

BAPTISTS OF ALBERTA IN ANNUAL MEETING IN RED DEER

President of Women's Missionary Society Talks of the Millions Spent for Motors and the Mites for Missions; Encouraging Reports

Red Deer, June 10.—The annual convention of the Alberta Baptists opened at 1 o'clock on Tuesday afternoon in the Baptist church, Red Deer. Encouraging reports were read by the secretary, the corresponding secretary, the superintendent of bands and the superintendent of the bureau of literature, the treasurer's report showed collections amounting to \$1,780.50. The president, Mrs. Sycamore, gave an inspiring address on Stewardship, illustrating it by holding up a piece of brown paper cut in size to represent the proportion of money spent on soda water, candy, chewing gum and foreign missions. One of the chief utterances of her address was: "We have got into the habit of thinking it common to spend millions for motors, but mites for missions."

MRS. SYCAMORE RE-ELECTED HEAD OF SOCIETY

Mrs. Bagnell Makes Interesting Report on Conditions in the Peace River; Two Able Addresses; Reform League Endorsed

The evening meeting was opened at 7:30 by Mrs. Sycamore, who was again in the chair. After a hymn and scripture reading a long and very interesting letter was read by Mrs. Bagnell of the Peace River district. After the reading of the minutes Mrs. D. McTaggart delivered a fascinating map talk on "Our Field." Resolutions were adopted endorsing the work of the Temperance and Moral Reform league, regretting the loss of the late Mrs. Stillwell and suggesting an annual offering for the work of the convention from the mission circles.

At a solo by Madame Quigg of Red Deer, Mrs. J. J. Baker delivered an address on "Barriers to the development of women under eastern religions." The address revealed deep study and an intimate knowledge of the subject. The other side of the question was presented by Mrs. E. L. HAT STATISTICS KEEP PAGE WITH TOWN'S DEVELOPMENT

Building Permits and Collections in Customs Show Increase Over 1912

Medicine Hat, June 10.—Statistics of Medicine Hat for the month of May show an increase over the corresponding month of last year, being an index of the growth of the place.
