You never bought a horse in your life until you had oked at his teeth, examined his legs, and gone over him inch by inch. Then you finished by putting him through his paces. HEAT FLASHES, DIZZY, NERVOUS

Mrs. Wynn Tells How Lydia E. Pinkham's Vegetable Compound Helped Her During Change of Life.

Richmond, Va. - "After taking seven bottles of Lydia E. Pinkham's

Vegetable Com-pound I feel like a new woman. I always had a headache during the Change of Life and was also troubled with other bad feelings com-mon at that timedizzy spells, nervous feelings and heat flashes. Now I am

in better health than I ever was and recommend your remedies to all my friends. "-Mrs. LENA WYNN, 2812 E. O Street, Richmond, Va. While Change of Life is a most critical period of a woman's existence, the

annoying symptoms which accompany it may be controlled, and normal health restored by the timely use of Lydia E. Pinkham's Vegetable Compound.

Such warning symptoms are a sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness.

For these abnormal conditions do not fail to take Lydia E. Pinkham's Vegetable Compound.
