IN HOHENLOHE'S PLACE. Berlin, Oct. 17.-Count Von Buelow has been appointed Prusslan minister, president and foreign minister. The reasons which induced Prince Hohenlohe to insist upon retiring were, in the main, his rapidly growing infirmi-ties, and his distinct disapproval of the emperor's personal policy in China

Thanksgiving Day.

Between the long vacation And the Christmas holidays Comes in the bright Thanksgiving, When our ringing cheers we raise. In the frosty, tingling weather. With sheaves in barn and bin, We haste to see the fellows Their latest victory win.

Pell-mell by train and steamer The merry people throng, By the onward strength of thousands The crowd is swept along. The girls with telltale ribbons And perhaps a telltale blush, No wit behind their brothers, Are mingling in the rush.

Dear grandmammas and aunties With a softly fluttering sigh, Lament the old Thanksgiving As the new comes thundering by; Then to the home's fair Megca The scattered tribes returned, And told the year's long story

Where the great hearth fire burned But though we keep Thanksgiving In the new athletic way, We are much like famished pilgrims When the sunset skies are gray. By clans the kinsfolk gather

In many a hungry horde, And we finish our Thanksgiving At the happy family board. -Margaret E. Sangster.

ON A STORMY NIGHT

United States Troops Captured & 'Pino General and 25 Soldiers.

Manila, Oct. 17.-Under cover of a stormy night Captain Elliott, of the 40th Infantry, surprised the rebels' headquarters near Oroquieta, Island of Mindanao, and captured, without fighting, General Alvarez, with his

staff, and 25 soldiers.

The capture is important, and will tend to pacify the district. Alvarez had for a long time been provoking hostilities in Mindanao. It was he who effected the disastrous attack on Oroquieta some time ago, and he was prepared for another when he was captured. Detachments of the 26th and 13th Regiments engaged the rebels near Tubungan, in Southern Panay, routing them, killing 20 and wounding

CONSERVATIVES OF SOUTH MIDDLESEX

Elect Officers-Meeting at Dela ware - Executive Committee Given Power to Place a Man in the Field.

The Conservative meeting held at Delaware yesterday was not very largely attended. It was held in the town hall, and at no time was there more than fifteen or twenty electors

The election of officers of the South Middlesex Conservative Association was the first order of business, and resulted as follows: President, Mr. Joseph C. Judd, London; secretary-treasurer, J. P. Moore, London; also the following vice-presidents: D. J. Donaldson, Caradoc; Capt. H. C. Garnett, Delaware; W. Robinson, Lobo; Col. Robert McEwen, Westminster.

In the election of a secretary-treas-urer, Capt. Garnett nominated David Donaldson, and in so doing he think that all the officers should come from London." He hadn't ever seen Mr. Moore at any meeting in the hall, and would like to have a man in office who would put in an appearance occasionally.

The executive committee will consist of the officers of the association, the vice-presidents of the four districts and the following gentlemen: W. Young, Caradoc; R. C. Hammond, Delaware; Alex. Gray, Lobo, and Samuel Adams, Westminster.

The meeting discussed at some length the question of putting a man in the field to contest the riding, and finally left it to the executive committee to decide, with power to bring out a candidate without calling a convention. A meeting of the executive will be held on Saturday, when the question will be definitely settled.

It is understood that Mr. J. C. Judd. barrister, city, will be the choice of the Conservatives of the riding, if a contest is decided upon, which is doubt-

Catarrh Is a Lingering Cold Which Re fuses to Yield to Ordinary

As fresh cold is taken the disease

spreads, getting deeper and deeper,

lined with this same membrane. This is why catarrh in the head soon effects the throat and finally the stomach itself, bringing on chronic catarrh of the stomach, which is a most obstinate form of dyspepsia.

Everybody is now well agreed that catarrh is a blood disease and not a local one, and the attempt to cure by

local applications simply gives temporary relief from the purely local symptoms without the remotest effect in staying the progress of the disease. There is a new preparation recently offered to the public that is apparently destined to do away with every other form of catarrh treatment.

This new remedy is not a secret patent medicine, but is a large, pleasand tasting tablet composed of Sangu-inaria, Eucalyptol, Guaiacol, Hydrastin and other valuable and harmless specifies, which are taken internally and seem to have a remarkable bene-200 Fishermen Blown Out to Sea and ficial effect upon the blood and mucous membranes, apparently eliminat-ing the catarrhal poison from the whole sytem.

These tablets while being pleasant convenient and absolutely safe to use have made cures in long standing cases of catarrh that are little short of marvelous. They are sold by druggists under the name of Stuart's Catarrh Tablets, and any catarrh sufferer who has tried inhalers, lotions, ointments, salves, etc., and realized their inconvenience and uselessness, will fully appreciate the difference between a mere palliative and a perman-ent cure after giving Stuart's Catarrh Tablets an impartial trial.

All druggists sell them at 50 cents for full sized package and no matter where the catarrh is located, in the head, throat, lungs or stomach, Stu-art's Catarrh Tablets will surprise you with the effective results of even a few days' use.

CENSUS IS DONE.

Washington, Oct. 17.-The enumera-tion work of the twelfth census is completed. There were 53,000 enumerators and 297 supervisors. The cost will be about \$4,200,000. STRIKERS ARRESTED.

Hazleton, Pa., Oct. 17.-Eleven Slavonian strikers, said to have led a mob which started a riot at Oneida last Wednesday, when one private guard was killed and wounded and several other persons injured, were arrested today.

STILL ANOTHER TRIUMPH-Mr. Thomas S. Bullen, Sunderland, writes: "For fourteen years I was afflicted with Piles; and frequently I was unable to walk or sit, but four years ago I was cured by using Dr. Thomas' Eclectric Oil. I have also been subject to Quinsey for over forty years, but Eclectric OM cured H, and it was a permanent cure in both cases, as neither the Piles nor Quinsy have troubled me since."
