"His lordship clung to his child with one arm, and to his wife with the other; and I heard him say, as they stood waiting for a lifeboat to be made ready: 'My treasures, if death comes we shall all go together; I will never give either of you up.' But he did not know. They were safely seated in the boat ready to push off, when a great wave dashed over it and swamped it. Another was quickly lowered, and as many rescued as could be found. McChesney won the Twin City handicap at Sheepshead Bay today. Mc-Chesney was always a hot favorite, closing 2 to 1. He equaled the track record for 1¼ miles, made by Water Boy July 2, this year, by covering the distance in 2:04 3-5. E. R. Thomas' Hermis, paying 2 to 5 for the place, was second, with the outsider, His Eminence, third. The demonstration accorded McChesney as he flashed under the wire an easy winner was probably the loudest and longest that has ever greeted a winner on the eastern turf. The cheering began before McChesney had finished and continued until fully eased up by his mount in the paddock turn. On his return to the scales it was renewed, 40,000 persons joining in the cheering. Smathers is thought to have cleaned up a little over \$50,000. The Twin City handicap is only a \$3,500 stake, but with Mc-Chesney and Hermis carded as starters drew one of the biggest crowds on a race track this year. Summaries:
