amazing model? should revor at a model? should think so! as he are not to be met with a trouvaille, mon cher; a living My stars! what an etching Remhave made of him? Another murder has been added to the list. The have made of him? Another murder has been added to the list. The have made of him? Another murder has been added to the list. The have made of him? Another murder has been added to the list. The have made of him? Another murder has been added to the list. The have made of him? Another murder has been added to the list. The have made of him? Another murder has been added to the list. The have made of him? Another murder has been added to the list. The have made of him? Another murder has been added to the list. The half-gearly interest coupons which are negotiable and over, the Company's bond being given with and over, the Company bank points in Orlands in the list and over, the Company bank power, the Company bank power the Company's bond being given with and over, the Company bank power, the Company bank power the Company bank powe

ished and framed, my boy!" answered trever; "and, by the by you have made a conquest. That old model you as a second to conquest. That old model you as a second to conquest. That old model you are set is quite devoted to you. I had to tell him all about you—who you are, where you live, what your income is, what prespects you have—"I shall probably find him waiting for me when I go home. But, of course, you are only joking, home. But, of course, you are only joking. Poor old beggar! I wish I could do something Poor old beggar! I wish I could do something and printy. I may be the course you have got heaps of I think it is dreadful that anyone I think it is dreadful that anyo
