MRS. A. W. DANIELS

PIANO-FORTE RECITAL AT LAWRENCETOWN

An event of much interest to a large and appreciative audience took place in the auditorium of the Demonstration Building, at Lawrence-town, on Thursday evening, March 30th, when the pupils in pianoforte, under the direction of their popular instructor, Miss E. Hortense Griffin, of Bridgetown, gave their recital.

They were assisted by Miss Marjorie Phinney, a pupil in viola of Miss D. Jefferson, and daughter of Dr. and Mrs. W. S. Phinney, and also by the Misses Messenger and Crowe, from Bridgetown. These youthful performers ranging in ages from ten to fifteen years, and the picture of youthful beauty in their dainty light dresses, made their debut in a chorus "O Music! at Whose Shrine We Meet", assisted by Miss Griffin at the piano and Miss Jefferson at the violin, the stage being artistically decorated for the occasion. This selection was well rendered, the voices sweet and clear and the movement in excellent time.

The programme was as follows:
"O Music" Alfred Woelke
Chorus
(a) "Lullaby" Op. 101 Guriltz
(b) "Hunting Song" Merkel
Florence Archibald.

"Rippling Water" Anthony
Marjorie Stoddard.
"Gavotte" (four hands) Gessec
Mabel Stoddard and Jean Shaffner.
"Romance" Porter
Eleanor Taylor.

"The Mermals" Schydt
Jean Shaffner.
"Cavatina" Op. 21, No. 2. Kuenzel
Marjorie Phinney (violin pupil of Miss D. Jefferson)

"Scarl Dance" Chaminate
Mabel Stoddard.
"Tarantelle Burlesque" Hozer
Marjorie Phinney.

"Joyeux Retour" (four hands) Ringuet
Marion Crowe and Agusta Messenger.
"The Cricket and the Bumble Bee" Chadwick
Lewis Morse.

(a) "Sonatina in G." Op. 2, No. 101 Clementi
(b) "Matushka" a Polish Dance Engel
Jessie Phinney.

"Nursery Rhyme Suite" Custance
Chorus
God Save the King.
The numbers were all delightfully rendered and enthusiastically received by the audience.

The pupils showed careful training in technique and expression.
The last number, the Nursery Rhyme Suite, of which Little Boy Blue, Humpty Dumpty, Little Bo Peep, Pussy Cat and Jack Horner, were in costume, was a pleasing finish for the evening's entertainment.

BRIDGETOWN TO HOLD CENTENNIAL

Will Celebrate One Hundredth Anniversary Early In September—Committee Appointed.

A meeting of the Bridgetown Board of Trade was held in the Board of Trade rooms Friday afternoon for the purpose of hearing a report from the committee appointed some time ago regarding the holding of a Centennial celebration this year.

The meeting was called to order at 3:30, His Worship Mayor Warren occupying the chair in the absence of the chairman.

Minutes of the last regular meeting were read by the Secretary, Mr. W. H. Maxwell, and adopted.

Correspondence from the Kentville, Middleton and Lawrencetown Board of Trades re "Owl" train, which matter was discussed at the last regular meeting. Each promised to appoint committees to act with a committee of the Bridgetown Board of Trade and interview the Railway Commission at some future date.

The matter of having a Dominion Express delivery for the town was brought before the meeting by Secretary Maxwell, who had interviewed several officials, and he told the members that something would be done about the matter shortly.

The matter of holding a Centennial celebration this year was brought up. Dr. M. E. Armstrong called attention to the approaching one hundredth anniversary of the town. The committee appointed at last regular meeting had met a few days ago and were of the opinion that the fall of 1922 would be a proper and appropriate time for the holding of such a celebration. Dr. Armstrong went into the matter fully and referred to the origination of the name Bridgetown, and how a celebrated historian had visited this place in 1822 and all that could be seen was one or two houses. Two years later that same historian returned and found that quite a town had sprung up. Enquiries were made by the doctor to see what could be done along historical lines regarding a celebration. The Nova Scotia Historical Society would be willing to come at once. A meeting could be held in the evening of the celebration, and several papers along historical lines could be read at this meeting by the N. S. Society. The Annapolis Royal Historical Society were also willing to assist if they received an invitation to be present. The Archives Department at Ottawa, which is very familiar with the French history of this part of the country, would be willing to send a man down to read a paper on this subject. Some pageant could also be gotten up by the merchants, such as floats, etc., of the early settlers and display the last fifty or one hundred years of our history. Appropriate services could be held in all our churches, and combined with the celebration an Old Home Week, and some inducement made whereby our sons and daughters, who are residents in all parts of the world, could be brought back to their home land. It would be an event which could be put on record for future generations. It would be a commendable affair, declared Dr. Armstrong, but he did not know whether the Board would be willing to take the responsibility of holding such an elaborate affair, or ask the different organizations and societies to assist.

The chairman thought that the idea of calling a meeting of the citizens to discuss this subject was a commendable one, but several members were of the opinion that a step should be made by appointing a committee at once.

It was moved by Capt. Gesner, seconded by Vice-President McKenzie, that the following committee be appointed: Rev. J. H. Freestone, Rev. E. Underwood, Rev. C. W. Robbins, President Hicks, His Worship Mayor Warren, C. B. Longmire, A. B. McKenzie, W. H. Maxwell, Dr. M. E. Armstrong, H. S. Magee, H. B. Hicks, Ronald Whiteway, J. T. Archibald, John Myers, J. W. Peters, A. F. Hiltz, Capt. Gesner, H. T. McKenzie, V. A. Lloyd, Edmund Stratton and Frank H. Beattie.

The holding of an informal luncheon was discussed by the members, and a committee composed of Dr. M. E. Armstrong, His Worship Mayor Warren, O. C. Jones and W. H. Maxwell, were appointed to make ar-

Enthusiasm in the coming baseball season is beginning to show itself from all corners of the street and reminiscences of last year's performances are being recalled, some being criticized, some lauded as the best ever, but all hoping for something better this season.

All numbers of the Bridgetown Eclectic Society, and those desirous of joining are requested to attend the first regular meeting on Monday next, April 10th, in the Board of Trade rooms, at 8:30, when Rev. J. H. Freestone will give a paper on "The History of Political Economy".

The usual ban on the use of automobiles and all heavy vehicles on country roads went into effect last week and will continue until May 1st. The regulation rarely occasions any hardship in this district for during the period mentioned some roads are barely passable anyhow. The regulation is generally regarded as a reasonable measure for the protection of the roadways which formerly were much cut up by heavy vehicles while the frost was coming out of the ground. In special cases permits are given for the use of autos and can be obtained from the highway authorities.

Speaking at his various appointments, the Rev. E. Underwood, after reading the Pastoral Letter from the Anglican Primate of all Canada on this subject (which will appear in the MONITOR next week) emphasized the fact that, although this appeal would constitute a second call on a considerable number, yet so great is the need that, on reliable authority, it cannot be overestimated. Under the circumstances, and considering how much we spend upon ourselves for that which is not bread, he felt no apology was needed in again bringing forward and urging this appeal to help generously toward feeding the millions of starving children in Russia with one substantial meal per day. He also asked that those who were unable to bring or send their contributions that day to do so next Sunday either in the special envelopes provided or in plain envelopes marked "Russian Relief".

TO OUR READERS

Owing to the large demand for advertising space in THE MONITOR this week considerable correspondence and news matter has been held over. Next week the new proprietors will publish two extra pages, and we hope to be able to handle all news matter and advertising to the satisfaction of our many readers.

BASEBALL ASSOCIATION MEETING AT HALIFAX

Secretary G. F. Creig announces that the annual meeting of the Nova Scotia Baseball Association will be held April 7th at the Wanderers club house, Halifax. Representatives of various leagues have been notified to attend.

Hantsport has applied for a berth in the Valley league and it is understood that Bear River would also like to play in one of the leagues. Most of the clubs that operated in the 1921 leagues will be back again, and there is a possibility of a fifth team seeking application into the Halifax section of the Northern league.

Secretary Creig states that he has been unofficially informed that some of the clubs will not sign the new registration forms issued by the M. P. B. A. U. of C., which will probably delay the schedules of some of the leagues. This will be one of the important matters before the meeting.

Truro will place a team on the field this season, composed entirely of town players. Last season, the Hub had a collection of swatters from many parts of the Maritimes.

Truro, Wanderers, Crescent's, Veterans, Dartmouth and possibly St. Mary's, will be in the Halifax section of the central league. Springhill, Amherst and Joggins are slated for the Northern section of the central.

Yarmouth, Clarke's Harbor, Lockport and Shelburne, in one section, and Liverpool, Bridgewater, Milton, Lunenburg, Mahone Bay, and possibly Chester, will line up in the other section of the South Shore league.

Windsor, Kentville, Berwick, and possibly Wolfville, are mentioned for the eastern section of the Valley league with Bridgetown, Middleton, Annapolis and Lawrencetown in the other section.

New Glasgow, Westville, Stellartoff, and Trenton, will likely be in the Pictou County league. The championship games were carried out without a hitch last season and all of the competing clubs were satisfied with the administration of league affairs.

LEWIS W. HOYT

Lewis W. Hoyt, a native of Bridgetown, died in Somerville, Mass., on Thursday, the 30th of March. Up to the time of the very brief illness which resulted in his death, he was engaged in the telegraph business, and had held the position of a chief operator with the Postal Telegraph Company at their main office in Boston for the past twenty years. He learned telegraphy in the new Block, with building opposite THE MONITOR office, where his father, the late Charles Hoyt, carried on a business many years ago, and somewhat later held various offices, such as coach post and telegraph offices, etc. Mr. Hoyt, when quite young, was engaged as operator at some of the old Windsor and Annapolis Railway stations and later served in the larger offices, such as Halifax, Sackville, and in the Cable Station at North Sydney, going to Boston twenty-five years ago. He was twice married, his first wife being a daughter of the late Daniel Lawler, of North Sydney. She died thirty years ago in that town. His second wife was Miss Bessie Mitchell, of Fredericton, who survives him. He leaves one son by each marriage, also one sister, Mrs. Cassie FitzRandolph, at present living in Weymouth, N.S., and two brothers, Henry S., of New York, and Charles J., of North Sydney, and various relatives in Bridgetown, to all of whom THE MONITOR extends sympathy. The deceased was a member of the Church of England, and at the time of his death was sixty-five years of age. He was also a member of Vesta Lodge, I.O.O.F., North Sydney. No particulars were received as to the cause of his death, but as the deceased was in very good health up to a short time ago, the end must have come suddenly, possibly through an apoplectic stroke. As a citizen he was highly esteemed in the various places in which he had made his home.
