## TENNIS IS BOOMING

Play Commenced in Local Section Saturday—Western Section Games Open July 16th.—An Interesting Season Expected.

The tennis season in the Western part of the Annapolis Valley has commenced auspiciously, the opening game being played at Middleton on Saturday between Bridgetown and Middleton, Bridgetown winning six out of the eight events. Details of which appear elsewhere in the Monitor.

The Annapolis Valley Western Tennis players have formed two sections in their league. The Eastern composed of Middleton, Lawrencetown, and Bridgetown, the Western of Annapolis, Bear River and Digby. The winners in each section will play off and the victors in this contest will play the winners of the Valley Eastern League for the championship.

The Annapolis Bear River and Digby section commence play on July 16th.

The Bridgetown, Lawrencetown, Middleton section schedule is as follows: Games on grounds of last named team.

July 12—Bridgetown vs Middleton.  
July 12—Lawrencetown vs Bridgetown.

July 18—Lawrencetown vs Middleton.  
July 18—Bridgetown vs Lawrencetown.

Aug. 2—Middleton vs Bridgetown.  
Aug. 8—Middleton vs Lawrencetown.

There is a good deal of enthusiasm locally in tennis and with addition of a new court this season the game has got away to a splendid start.

**GREAT IMPROVEMENTS TO C. OF F. CEMETERY MADE.—FURTHER FUNDS NEEDED.**

When Bridgetown was celebrating its centennial a move was made to have the Church of England cemetery in Bridgetown redeemed from the domain which it was falling. A congregational meeting was called and a small but energetic committee appointed to take the matter in hand.

The task before them was somewhat formidable, as a very considerable sum of money was required, whilst of those buried there, very few had any relatives remaining. We should, however, like our readers to visit this acre of God, and see what has been accomplished in spite of very serious handicaps. We are bold to say that in few places has money been so wisely or more economically spent. A very great deal of grading has been necessary and much has had to be done in the way of straightening monuments and headstones but the result is most striking. Given a few reasonable rains a splendid green sward will appear and another year should necessary funds be forthcoming it is proposed to arrange a series of flower beds. Meanwhile, however, further funds are urgently needed in order that the work already in hand may be carried to completion. Donations will be gladly received and acknowledged by either the rector or wardens of the church or Mr. S. F. Pratt.

**BLUENOSE TRAIN SERVICE.**  
Baggage will not be checked on D. A. R. "Bluenose" trains Nos. 123 and 124 operating between Halifax and Yarmouth, as there is no baggage car attached to these trains. Hand baggage only may be taken into the cars by passengers. Baggage will be checked on regular Express trains Nos. 97 and 98 between Halifax and Yarmouth.
