

Will I Pass

When I come to the river alone,
 Say, will I pass?
 Sorrow and care have flown
 Jesus at last.

CHORUS:—

I shall pass with Jesus right through,
 And live with the King will you?
 In that beautiful city of day,
 My brother and sister you may.

When I reach that beautiful gate
 Say, will I pass?
 To my mansions and royal estate,
 With Jesus at last?

I shall worship the great God above
 Say, will I pass,
 Return His love with love
 Home at last?

Then with the redeemed I shall sing
 Pardoned and Past,
 All glory to Jesus our king
 As long as Eternity last.
