Sussex, N. B.

GENTLEMEN:—I have sold two car loads of your Fertilizers this season, and those to whom I have sold pronounce it a first-class article. I have been using Chemical Fertilizers for the past fifteen years on Nursery Stock, Vegetables and Grain Crops, and I have no hesitation in stating that I have had better results from yours than any other. Yours truly, W. H. CULBERT, Nurseryman.

1891. GREGORY'S SEED CATALOGUE. 1891.

HOME GROWN, HONEST, RELIABLE.

I offer you my Vegetable and Flower Seed Catalogue for 1891 FREE. Note the immense variety of seed it contains, and that all the best novelties are there. Not much more show about it (you don't plant pictures) but five engravings from photographs of scores of the choice vegetables I have introduced. Would it not be well to get the seed of these from first hands? To be the oldest firm in the United States making mail and express business a specialty proves reliability. Honest and honorable dealing is the only foundation this can rest on. My Catalogue is FREE as usual. A matter on second page of cover will interest my customers. J. J. H. GREGORY & SON, Marblehead, Mass.
