

CONSUMPTION CURD

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 149 Power's Block, Rochester, N. Y.

The economy in horse power obtained by using the hardest and smoothest roads is clearly shown. If one horse can just draw a load, on a level over iron rails, it will take one and two-thirds horses to draw it over asphalt, three and one-third over the best Belgian, five over ordinary Belgian, seven over a good cobble-stone, thirteen over a bad cobble-stone, twenty over an ordinary earth-road, and forty over a sandy road.—Scientific American.

A contemporary prints an able article on "How to go to sleep." It is the most convincing article we ever read on the subject. We were sound asleep before we read it half through.

A. Chard, of Sterling, in a recent letter states that he met with an accident some time ago, by which one of his knees was severely injured. A few applications of Hagar's Yellow Ointment afforded immediate and complete relief.

It sometimes happens that people who are married are only basted together, while others are stitched together so firmly that they can never be parted.

Undoubtedly the best medicine to keep on hand for Colds, Coughs, Asthma, Bronchitis and Pulmonary troubles generally, is Hagar's Pectoral Balsam. It will not cure Consumption, but it will cure those troublesome conditions leading there to.

A young man in western Illinois advertised for a wife, his sister answered the "ad," and now the young man thinks there is no balm in advertisements, while the old folks think its pretty hard to have two fools in the family.

Mrs. CAPT. NORMAN, of Millbridge, Ont., writes, Aug. 17th, 1871:—"ALLEN'S LUNG BALSAM cured my son of a severe attack of congestion of the lungs. He took other medicine, the BALSAM acted wonderfully, taking away the fever, at once operating on the bowels, and sending matter up from off the lungs, in appearance dreadful beyond expression. There are several others who reside in this neighborhood, and have been cured by ALLEN'S LUNG BALSAM, who would give certificates if asked."

ADAMS, N. Y., Jan. 30, 1882. DR. B. J. KENDALL & Co. Gents.—Having used a good deal of your Kendall's Spavin Cure, with great success, I thought I would let you know what it has done for me. Two years ago I had as speedy a colt as was ever raised in Jefferson County. When I was breaking him, he kicked over the cross bar and got fast and tore one of his hind legs all to pieces. I employed the best farriers, but they all said he was spoiled. He had a very large thorough-pin, and I used two bottles of your Kendall's Spavin Cure, and it took the bunch entirely off, and he sold afterwards for 1600 dollars. I have used it for bone spavins and wind galls, and it has always cured completely and left the leg smooth.

It is a splendid medicine for rheumatism. I have recommended it to a good many, and they all say it does the work. I was in Witherington & Knoland's drug store, in Adams, the other day, and saw a very fine picture you sent them. I tried to buy it, but could not; they said if I would write to you that you would send me one. I wish you would, and I will do you all the good I can. Very respectfully, E. S. LYMAN.

New Hamburg, Ont. Dec. 28, 1881. Mr. F. H. McCallum, Dear Sir: The bottle of Dr. Kendall's Spavin Cure bought of you last summer gave me the utmost satisfaction and performed a wonderful cure upon a mare thirteen years old belonging to me, which was badly spavined for ten years. She was so lame that I could hardly get her to move. The lameness is entirely gone after using half a bottle of the cure, and she is like a young horse again. Yours truly, J. F. B-TII.
